Industrial Relations Act 2016

ISSUING OF GUIDELINES UNDER SECTION 765

I, Julie Steel, Industrial Registrar, hereby issue under subsection 765(1) of the *Industrial Relations Act 2016*, reporting guidelines for the purpose of section 765 of that Act, entitled *Reporting Guidelines for the purposes of section 765*. The *Reporting guidelines for the purposes of reporting under section 763* commenced on 1 March 2017.

Application

1. These reporting guidelines are made under section 765 of the *Industrial Relations Act 2016* (the Act).
2. These reporting guidelines apply to all general purpose financial reports (GPFR), including a concise financial report, as defined in section 778 of the Act except where the Industrial Registrar has issued a certificate under section 785 to the reporting unit for that financial year.
3. In the event of a conflict between a requirement of these reporting guidelines and a requirement of an Australian Accounting Standard, the requirement of the Australian Accounting Standard prevails unless there has been a determination under section 750 of the Act that the Standard or the relevant part of the Standard does not apply in relation to an organisation or a class of organisations.

Operative date

4. These reporting guidelines apply to each financial year of a reporting unit that ends on or after 1 March 2017.

Purpose of reporting guidelines

5. These reporting guidelines apply for the purposes of section 763 of the Act.
6. Under subsection 763(1) of the Act a reporting unit is required to have a GPFR prepared. The GPFR must be prepared in accordance with the Australian Accounting Standards. These reporting guidelines prescribe disclosure requirements in addition to those prescribed by Australian Accounting Standards having in mind the nature of organisations registered under the Act.
7. The disclosure requirements prescribed by these reporting guidelines are directed towards providing members of a reporting unit with information to enable them to gauge the performance of the committee of management and other holders of office in relation to the financial management of the reporting unit. In addition, the reporting guidelines seek to improve the quality of information available to users of the GPFR about the reporting unit's economic support of, or economic dependency on, other reporting units of the organisation and other entities.

General requirements for presentation and disclosures in GPFR

8. It is a requirement that all reporting units apply the Tier 1 reporting requirements as per the Australian Accounting Standard AASB1053 *Application of Tiers of Australian Accounting Standards*.
9. The reporting unit must disclose in the notes to the financial statements the notice required by subsection 787(6) of the Act drawing attention to subsections (1), (2) and (3) of section 787 and setting out those subsections.
10. Where a reporting unit's ability to continue as a going concern is reliant on the agreed financial support of another reporting unit(s) this must be disclosed in the notes to the financial statement as required by the relevant accounting and auditing standards, namely AASB 101 *Presentation of Financial Statements* paragraph 25 and ASA 570 *Going Concern* paragraph 19. The reporting unit must also disclose:
 - a) the name of the reporting unit(s) from which the agreed financial support may be derived; and

A class of assets is a grouping of assets of a similar nature and use in the operations of the reporting unit. Classes of liabilities are groupings based on similar characteristics of the liability.
