Revision Date	Page number or section	Summary of Changes	Approved by
July 2009	-	First Issue	Regional Harbour Master
May 2015	-	Second Issue	Regional Harbour Master
October 2022	Various	Including extreme weather event response, formatting	Regional Harbour Master
December 2022	Sections 1.6.2, 3.3.3, 3.4, 11.3, 11.5.1	Contact Information Updated	Regional Harbour Master
March 2023	Entire document	Amending broken links and correcting outdated corporate forms. Correction of numbering.	Regional Harbour Master
August 2023	Various	Definition of Tug & Tow lengths, including for Pilot Assignment, operational wind limits, VTS contact details, additional Current meters, engine immobilisation, fumigation, revised distance tables.	Regional Harbour Master
August 2024	Various	Update to mapping and key aids to navigation, alignment of operational warping with mooring, clarity for pilotage requirements for tug and barge operations, inclusion of amended pilotage routes and pilot boarding arrangements, tug escort above Pelican Banks including through Gateway Bridge.	Regional Harbour Master
