## ELECTORAL COMMISSION OF QUEENSLAND

In accordance with Section 63 of the *Electoral Act 1992*, I have ascertained and set out in Schedule A hereunder, as at the date indicated, the number of electors enrolled in each Electoral District for the State of Queensland and have determined the average district enrolment and the extent to which the number of electors enrolled in each district differs from the average enrolment.

#### Notes to the remuneration schedule

In its 2014 report the then Tribunal explained the rationale behind the adoption of a system of remuneration which comprised a base payment (of two thirds of the annual remuneration) and a monthly payment based upon attendance at, and participation in, the 12 mandated council meetings.

**\* Note 1** The monetary amounts shown are the per annum figures to apply from 1 July 2024. If an elected representative only serves for part of a full financial year (that is, 1 July to 30 June) they are currently only entitled to a pro rata payment to reflect the portion of the year served.

**\*\* Note 2** For councillors in category A1, A2 or A3 councils, a base payment of \$39,796.67 is payable for the 12 months commencing on 1 July 2024. A meeting fee of \$1,658 per calendar month (or fortnightly equivalent) is payable for attendance at, and participation in, scheduled meetings of council subject to certification by the mayor and/or chief executive of the council. Mayors and deputy mayors in category A1, A2 and A3 are currently entitled to receive their full annual remuneration level shown.

The Commission has not determined to make changes to the system of base payment and mandated council meetings for its 2022-2023 determination. Future consideration by the Commission may be given to whether changes to the current system should be made.
