

Career Ready Provisional Qualification List

This is a provisional list of qualifications for Career Ready effective from 1 January 2026.

The Department of Trade, Employment and Training administers various funding programs including the new Career Ready program.

Qualifications subsidised under the new Career Ready, Career Start and Career Boost programs will be drawn from the Queensland Subsidised Training List. The qualifications on this list, however, are only available for the Career Ready Program and are subject to change based on industry and stakeholder consultation processes being undertaken by the department.
