

Surveyor General's Office  
Brisbane November 1885

Circular Memorandum

to Mr. .... Surveyor .....

The amendment of clauses 30 and 31 of General Directions for the Guidance of Surveyors is withdrawn. The above clauses will stand good. A reservation of 2% per cent, or proportionally less where roads are actually marked, should be provided in all portions over 1000 acres.

Divisional Board Officers should be consulted in all cases involving selection of Roads where practicable.

Wm Davidson

Pro. Surveyor General
