

Circular.

Surveyor General's Office.

Brisbane, 22<sup>nd</sup> October 1887.

Memorandum to Mr. \_\_\_\_\_ Surveyor \_\_\_\_\_

66/1  
4  
10/2  
10/1

The Surveyor General is of opinion that in effecting Surveys of Grazing Farms not exceeding 1280 acres each, adjoining portions in the Settled districts which have been laid out with the theodolite, the same instrument should be used.

Wm Davidson

Deputy Surveyor General.

for the Surveyor General
