PLEASE ADDRESS
SURVEYOR-GENERAL,
BOX 6412 G.P.O.
BRISBANE.

QUEENSLAND

Survey Office
Department of Public Lands,

Brisbane 12th October, 1938.

Memorandum to Mr. Staff Surveyor E.D. Mellor.

-----o-----
Re Watershed Areas.

As doubt often arises after the longitudinal section is plotted, as to the exact chainage at which water crosses the centre line of roads, it is desired that in all future cases, the surveyor note this chainage both in his level book and upon the plan of the watershed areas.

For Surveyor-General.
