PRIVACY STATEMENT: The information provided on this form has dual purposes. (a) It is for the purpose of completing an apprenticeship. The information will be given to the Department of Trade, Employment and Training (DTET) or its agent (Apprentice Connect Australia Provider) in order to process the completion of the apprenticeship training contract under sections 45–51 of the *Further Education and Training Act* 2014 (Qld). DTET routinely gives some or all of this information to the Australian Government Department of Employment and Workplace Relations, Apprentice Connect Australia Providers, Queensland Curriculum and Assessment Authority and registered training organisations for the purpose of updating the status of the training contract and/or verifying subsidy claims. (b) It is for the purpose of obtaining an electrical work licence/permit and monitoring compliance under the *Electrical Safety Act* 2002. The department may be required to disclose your personal information to the prescribed electricity entities in Queensland, and other Australian electrical regulators including New Zealand. This information may also be used for statistical research, evaluation and reporting of our services, and includes publishing your licence details on the department's online register which is accessible by the public. Your information will not be disclosed to any other person or agency unless you have given us permission or it is required or authorised by law.
