# Permanent transfer of a registered training contract

An apprentice or trainee, their employer under an active training contract and a proposed new employer may use this form to apply to permanently transfer the contract to the new employer. Permanently transferring the contract removes the need to cancel with the original employer and sign a new training contract with the new employer.

This form may also be used by an apprentice or trainee and a proposed new employer to apply to permanently transfer an active training contract to the new employer. Prior to deciding an application which has not been signed by the original employer, the original employer will be provided an opportunity to object to the transfer, and any objection will be regarded in deciding this application.

Please return the completed form by one of the options on the next page and the application will be decided within 28 days of receipt. If the proposed new employer and apprentice or trainee wish to change their supervising registered training organisation (SRTO) during the transfer process they should also complete and submit form ATF–010: 'Change of supervising registered training organisation', which is available from their Apprentice Connect Australia Provider (Provider) or the department's website at <a href="https://www.desbt.gld.gov.au/training/apprentices/resources/forms">www.desbt.gld.gov.au/training/apprentices/resources/forms</a>.

### Training contract obligations

#### The employer, apprentice or trainee, and parent or guardian (where appropriate) agree that:

- a) the transfer commences from the date determined by our Apprentice Connect Australia Provider or the Department of Trade, Employment and Training (DTET) upon approval of the transfer
- b) the transfer can only be changed by our agreement and we acknowledge written notification or application may need to be made to our Apprentice Connect Australia Provider or DTET within strict timeframes
- the apprentice or trainee can see, and correct, any information about themself in the training contract or held by the employer in relation to this training contract
- d) we will try to resolve any dispute we have between us, and if we can't, we will contact our Apprentice Connect Australia Provider or DTET to request assistance or to access the appropriate dispute resolution processes
- e) the training contract can be audited by DTET or an Australian Government department
- f) the training contract is successfully completed when there is agreement from the employer, SRTO and apprentice or trainee, and approval by DTET, that the apprentice or trainee has attained all the required competencies
- g) the training contract expires if it reaches the term of the contract without the apprentice or trainee having attained all the required competencies or a request for an extension of the contract having been endorsed by our Apprentice Connect Australia Provider or DTET
- h) the training contract may be terminated in accordance with the Further Education and Training Act 2014 (the Act).

- e) release the apprentice/trainee from work and pay the appropriate wages to undertake any training and assessment specified in our training plan
- f) meet all legal requirements regarding the apprentice or trainee, including but not limited to, occupational health and safety requirements and payment of wages and conditions under the relevant employment arrangements
- g) repay any payment I receive that I am not entitled to

The new employer acknowledges that it is an offence to use information in the training contract to discriminate against any person, including the apprentice/trainee.
