Brisbane City Council

Notice of adoption of amendments to the *Brisbane City Plan 2000* pursuant to Schedule 1 and Schedule 3 of the *Integrated Planning Act 1997*

At its meetings listed adjacent to each amendment given below, Council adopted amendments to the *Brisbane City Plan 2000*, as listed below:

- The *Ferny Grove / Upper Kedron Local Plan* including relevant Area reclassifications (zoning changes) – 22 May 2007
- Introduced the concept of heritage precincts – 29 May 2007
- Included additions, deletions and minor corrections to the Heritage Register Planning Scheme Policy – 22 and 29 May 2007
- Included additions and deletions to the Commercial Character Building Planning Scheme Policy – 29 May 2007, and
- Introduced the Paradise Road Interchange Infrastructure Charges Plan Planning Scheme Policy – 12 December 2006

Purpose and General Effect of the adopted amendments

- The *Ferny Grove / Upper Kedron Local Plan* provides locally focused land use and built form outcomes. The general effect of the adopted amendments will be to regulate land use and to provide certainty about the future form and character of development for residents, landowners and developers.
- Heritage precincts allow the listing or elements comprising individual premises, roads, open space and other heritage elements in the Heritage Register. At present, the Heritage Register lists only individual cultural heritage places. There is no current proposal to include any particular precinct. The general effect of developing land within a heritage precinct will be that such development will be constrained as if it was a heritage place and would be assessed against the Heritage Place Code. If and when such a heritage precinct is proposed, it will have to be advertised and public submissions sought.
- The additions, deletions and corrections to the Heritage Register are to keep the Register relevant. The changes are made in accordance with assessment against the criteria for entry in the Register which is included in the Heritage Register Planning Scheme Policy.
- The additions and deletions to the Commercial Character Building Register comply with the criteria for entry in the Commercial Character Building Register, which generally relates to Commercial character buildings built before 1946, and are not in existing centres.
- The Paradise Road Interchange Infrastructure Charges Plan provides for developers of industrial development in the immediate vicinity of this proposed interchange to contribute towards the costs of constructing the access ramps between Paradise Road and the Logan Motorway.

Where can I get a copy or further information?

The amendments are to become effective on and from 1 July 2007. From that date copies of the amendments will be available for inspection and purchase from the Library and Customer Service Centre, Level 1, North Quay Podium, 266 George Street, Brisbane. For more information please either visit the Customer Service Centre or telephone Council on 3403 8888.

QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

2.2 (a) The Coordinator-General does not need to exercise its rights and powers under the Easement personally and The Coordinator-General's rights and powers under the Easement are not intended to be exclusive to the Coordinator-General. The Coordinator-General may authorise other people to exercise those rights and powers.

- (b) The Coordinator-General shall have the right to authorise, permit or license other parties to use the Easement Area for all or any of the purposes as the Coordinator-General may do so under the Easement, and otherwise to exercise the same rights and powers as the Coordinator-General under the Easement

Any such action shall be taken without the Coordinator-General or persons authorised, permitted or licensed by the Coordinator-General incurring any liability to the Landowner.

3 RIGHTS AND OBLIGATIONS OF LANDOWNER

- (h) not cause a nuisance that adversely affects the Coordinator-General's rights and powers under the

Easement or any Infrastructure on the Easement Area from time to time;

- (i) promptly abate any such nuisance;
- (j) use the Landowner's best endeavours to prevent anyone else doing any of the things that the Landowner is required not to do under the Easement and not allow or authorise anyone else to do any of those things;
- (k) not interfere with or obstruct the Coordinator-General, or any person authorised, permitted or licensed from time to time by the Coordinator-General, in the exercise or enjoyment of its rights and powers under the Easement; and
- (l) the Landowner must not grant any rights to any person in relation to the Easement Area to the extent the granting of those other rights could or will conflict or interfere with the Infrastructure or the exercise of any of the Coordinator-General's rights and powers under the Easement.

4 OTHER MATTERS

4.1 Ownership of Infrastructure

All Infrastructure and other things brought onto or installed on the Easement Area from time to time by the Coordinator-General will, as between the Landowner and the Coordinator-General, notwithstanding any affixation to the Easement Area, remain the property of the Coordinator-General.

If the Coordinator-General or a person authorised, permitted or licensed by the Coordinator-General to use the Easement Area pulls down or breaks open any fencing under the Easement:

- (a) the Coordinator-General or the person authorised, permitted or licensed by the Coordinator-General may either repair the fencing it has pulled down or broken open or install a gate in place of that fencing to at least a standard reasonably equivalent to that of the fencing before it was pulled down or broken open;
- (b) the owner of the fencing that was pulled down or broken open will become the owner of the repaired fencing or gate; and
- (c) that owner must maintain the repaired fencing or gate.

4.3 Stamping and registering of Easement

The Coordinator-General must:

- (a) stamp (if required) and register the Easement; and
- (b) make sure that the Coordinator-General or those authorised, permitted or licensed by the Coordinator-General are given all the rights and powers intended to be conferred by the Easement.

4.4 The Coordinator-General will pay all duty and registration fees on the Easement.

4.5 Mining or petroleum tenement

The Landowner must give the Coordinator-General a copy of any notification received by the Landowner in respect of any application for a mining or petroleum tenement under the *Mineral Resources Act 1989*, the *Petroleum Act 1923*, the *Petroleum and Gas (Production and Safety) Act 2004* or any similar or replacement legislation, in respect of land which includes all or any part of the Easement Area, within 7 days after the Landowner receives such notification.

4.6 Further assurances

The Landowner will execute every deed, instrument, assurance or other document and do all such things as may be necessary to secure the rights of the Coordinator-General conferred by the Easement as the Coordinator-General may reasonably require, including (without limitation) obtaining the consent of any person necessary and producing the title document for the Easement Area and executing all documents necessary to give effect to any proposed assignment, transfer, encumbrance or other dealing by the Coordinator-General in respect of the Easement Area.

5 COORDINATOR-GENERAL'S CONSENT

- (a) Subject to clause 5(b), the Coordinator-General may conditionally or unconditionally give or withhold any consent to be given under the Easement and is not obliged to give reasons for doing so.
- (b) The Coordinator-General will not unreasonably refuse or withhold its consent to the Landowner:
 - (i) maintaining any existing road across the Easement Area; and
 - (ii) subject to clause 5(c), erecting and maintaining any fence across the Easement Area if:
 - (A) each fence includes a lockable gate in a location agreed with the Coordinator-General; and
 - (B) the Landowner supplies a set of keys to the lockable gate to the Coordinator-General.
- (c) It will be reasonable for the Coordinator-General to refuse or withhold its consent if the actions of the Landowner are, in the Coordinator-General's opinion, likely to jeopardise the safety, security or operation of, or interfere with the Infrastructure or restrict the Coordinator-General's access along or across the Easement Area.

6 SEVERABILITY

- (a) Subject to clause 6(b), if a provision of the Easement is illegal or unenforceable in any relevant jurisdiction, it may be severed for the purposes of that jurisdiction without affecting the enforceability of the other provisions of the Easement.
