Where appropriate air services are not available from the centre of appointment, a motor vehicle allowance, similar to that payable to officers on transfer, is payable for the distance travelled for the forward and return journeys from the centre of appointment to the nearest air terminal.

Part-time officers, together with the spouse and any dependent children, are eligible for travel concessions on a pro rata basis. Such travel concessions shall be provided through a cash payment to the officer. Such cash payment shall be calculated on a pro rata basis (eg. a part time officer at .5 fte would receive cash payment equivalent to half the cost of the full airfare – including GST) and be subject to the provision of satisfactory documentary evidence (eg. copy of air tickets or other airline confirmation documentation) as proof of purchase of the air ticket/s. Where an officer chooses to cash in any entitlement before any travel is undertaken, the cashing in provisions contained in this Schedule shall apply on a pro rata basis.

Private Motor Vehicle

Where an officer, spouse or dependent child chooses to use a private motor vehicle instead of air travel the officer, spouse or dependent child is entitled to -

- A motor vehicle allowance; and
- Overnight accommodation and meals,

Applications for the cashing in of travel concessions are subject to such conditions as the chief executive determines.

This may include constraints such as the timing and form of the application.

Where a part time officer chooses to cash in any entitlement before any travel is undertaken, the cashing in provisions contained in this Schedule shall apply on a pro rata basis (eg. a part time officer at .5 fte would receive cash payment equivalent to half the cost of the officer only GST-exclusive special rate airfare).

Transfer of travel concessions

Where the officer wants to transport close family members to the centre of appointment instead of outward travel the chief executive may permit the transfer of travel concessions applicable to the officer and the officer's spouse only.

The application of provisions relating to visits by close family members is to be administered by chief executives with discretion to meet particular circumstances. Close family members generally refer to parents, children, brothers and sisters.
