Integrated Planning Act 1997

Public Notice

Moreton Bay Regional Council (Caboolture District) Adoption of Planning Scheme Amendments

Notice is given under the *Integrated Planning Act 1997*, Schedule 1, Section 20 that on 18 November 2008 at its general meeting Moreton Bay Regional Council adopted amendments to the Caboolture ShirePlan. The purpose and general effect of the amendments is to:

- Reduce the number of planning applications received in the Caboolture District;
- Streamline the planning approval process for small scale, low risk development;
- Provide greater opportunities for public involvement in the planning process;
- More effectively address development constraints such as bushfire hazard, landslide hazard and noise; and
- Provide additional planning criteria by which to assess certain types of development.

To support the proposed content amendments, a number of administrative amendments are also included to ensure consistency of structure, format and terminology throughout the planning scheme and remove unnecessary duplication.

Notice is also given under Schedule 1, Section 19(2) of the *Integrated Planning Act 1997* that Moreton Bay Regional Council has resolved not to proceed with amendments to the Caboolture ShirePlan's parking space requirements for marinas and proposed amendments to the ShirePlan to require dam fencing in certain areas, as these matters will be the subject of further review.

The amendments to the Caboolture ShirePlan will have effect on and from 22 December 2008.

TOWNSVILLE CITY COUNCIL

ADOPTION OF A PLANNING SCHEME AMENDMENT FOR THE CITY OF TOWNSVILLE

Notice is given under the *Integrated Planning Act 1997*, Schedule 1, that on 28 October 2008 Townsville City Council adopted an amendment to the planning scheme for the City of Townsville.

The purpose and general effect of the planning scheme amendment is to update Map 4.5(b): District 5 – River South. These alterations have resulted in modifications from that displayed in the Fairfield Waters Plan of Development (POD), and as a consequence of these modifications, an amendment to the precinct designation is required.

The reference number for this amendment is: 2008, no. 24.

A copy of the planning scheme amendment is available for inspection and purchase at Townsville City Council's Planning Services Counter, 2nd floor, Administration Building, 103 Walker Street, Townsville.

INTEGRATED PLANNING ACT 1997 ADOPTION OF AMENDMENTS TO THE IPSWICH PLANNING SCHEME

Notice is given under the Integrated Planning Act 1997, Schedule 1 that on 9 December 2008 Ipswich City Council adopted amendments to the Planning Scheme for the City of Ipswich.

The planning scheme amendments will have effect on and from 23 December 2008.

The purpose and general effects of the amendments are:

- Amendments to the Springfield Structure Plan (Part 14 of the Ipswich Planning Scheme) to facilitate the Springfield Growth Management Strategy (SGMS) and amendments to the Springfield Town Centre Concept Plan.
The Springfield Growth Management Strategy proposes an increase in population outside the Town Centre to approximately 50,000 persons accommodated within 17 - 20,000 dwellings and an increase in the Town Centre population to approximately 36,000 persons accommodated in 22,855 dwellings. This will result in a resident population of 86,000 persons (40 - 43,000 dwellings).
- Key amendments to the Springfield Structure Plan are:
 - Redefining the boundaries of the town centre (and increasing its size);
 - Increasing the population within the Springfield Structure Plan area (in particular the town centre);
 - Increasing population densities within the Springfield Structure Plan area;
 - Alterations of permitted building heights (to allow for up to 30 storeys in the town centre and up to 10 storeys outside of the town centre in specific locations); and
 - Determining levels of assessment for new/changed uses.
- The amendments to the Springfield Town Centre Concept Plan include increasing building heights, providing greater housing diversity, creating a 'mixed use' Town Centre, enabling the establishment of interim uses, focusing transport options on non car based solutions, facilitating the concept of local activity centres, reducing car parking rates and incorporating design guidelines.
- Other operational amendments include amendments to the definition of 'Gross Floor Area' in Schedule 1 - Dictionary.

Copies of the planning scheme are available for inspection and purchase at the Development Counter, Ipswich City Council Administration Building, 45 Roderick Street, Ipswich from 23 December 2008.

QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (g) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.
