

Larger Grants up to \$150,000

The \$150,000 grants support a small number of larger projects in culturally and linguistically diverse communities. The aim of these grants is to drive cultural change in enhancing response to prevention, awareness and recognition of, and/or support for those impacted by domestic and family violence. These grants aim to provide better support for victim-survivors of domestic and family violence.

Safe and Diverse Communities Grant Program 2023-2024 – Successful Recipients			
Organisation	Project Title	Target Cohort	Location/s
CatholicCare Central Queensland	Different Languages, One Voice: Working together to prevent domestic and family violence in multicultural communities	Chinese, Filipino, Bangladesh, Brazil, PNG	Rockhampton
LGBTI Legal Service Inc	Safe and empowered CALD-Queer communities	Culturally and linguistically diverse victim-survivors who also identify as LGBTQ+	Statewide
