*Transport Infrastructure Act 1994***NOTIFICATION OF DECLARATION OF A STATE-CONTROLLED ROAD
AND A MOTORWAY**

Notice is hereby given under sections 24, 25 and 27 of the *Transport Infrastructure Act 1994*, that the road or route, or part of the road or route described in the schedule is hereby declared a State-controlled road and a motorway. As required by the abovementioned sections of the *Transport Infrastructure Act 1994*, the relevant local governments have been notified and the declaration described in the schedule below is consistent with the department's transport infrastructure strategies.

Mark Craig Bailey
Minister for Main Roads, Road Safety and Ports and Minister for Energy and Water Supply

THE SCHEDULE

That on and from 6 November 2015, the area of road or land as described in Appendix I hereto, is declared a State-controlled road and a motorway, under and for the purposes of the *Transport Infrastructure Act 1994*.

*Transport Infrastructure Act 1994***NOTIFICATION OF DECLARATION OF A
STATE-CONTROLLED ROAD AS A LIMITED ACCESS ROAD**

Notice is hereby given under section 54(1) of the *Transport Infrastructure Act 1994* that the State-controlled road described in the Schedule is declared a limited access road.

Neil Scales
Director-General, Department of Transport and Main Roads

THE SCHEDULE

That on and from 6 November 2015, access to the State-controlled road as described in the schedule hereto be limited:

TOOWOOMBA SECOND RANGE CROSSING
Lockyer Valley and Toowoomba Regional Councils

Commencing from its intersection with Warrego Highway (Ipswich – Toowoomba) in Helidon Spa about 4 kilometres west of the town of Helidon, to its intersection with Gore Highway (Toowoomba – Millmerran) in Athol.

Length ... 41.19 kilometres (approximately)

The parts of the State-controlled road to which access is to be limited are as shown on Limited Access Plans LA 12003 to LA 12015 (inclusive), in accord with the Access Management Policy as described hereunder. Copies of these plans and policy are held in the office of the Director-General, Department of Transport and Main Roads, Brisbane and the office of the Regional Director, Department of Transport and Main Roads, Floor 2, 1-5 Phillip Street, Toowoomba.

The reason for the declaration is to achieve a high level of access control to:

- ensure that the required road functionality of this major road transport asset is achieved and preserved by maintaining the traffic speed, flow capacity and safety characteristics consistent with the function of a high mobility road,
- maintain the necessary road standards required to eliminate property and lower order road access, other than at planned long term interchanges and intersections,
- ensure that, if any access is permitted temporarily, it meets design standards, and
- provide for future enhancements of the motorway.

Any person whose interests are affected by the declaration may—

- (i) under section 485 of the *Transport Infrastructure Act 1994* — ask for the decision to be reviewed and appeal against the reviewed decision; and
- (ii) under the *Transport Planning and Coordination Act 1994*, part 5 — ask for the decision or the reviewed decision to be stayed.

Notice is hereby given that there is a policy in place in relation to the application of Section 62 of the *Transport Infrastructure Act 1994* to manage access between Toowoomba Second Range Crossing described in The Schedule and adjacent land. This policy is outlined below.

Access Policy for TMR Plans numbered LA 12003 to LA 12015, covering the Toowoomba Second Range Crossing (from the Warrego Highway near Helidon to the Gore Highway near Athol)

1.0 Definitions

The following terms shall have the associated meanings for the purpose of this document:

- ‘Access’ shall have the same meaning as ‘permitted road access location’ as defined in section 53 of the TIA
- ‘Access Policy’ shall include this document and TMR Plans numbered LA12003 to LA 12015.
- ‘Adjacent Land’ shall have the same meaning as ‘land’ as defined in section 53 of the TIA.
- ‘Chief Executive’ shall be the chief executive for the TIA and TPCA, and includes delegates where they have been delegated a decision making power by the chief executive under the TIA and TPCA.
- ‘Gazette’ is the official gazette published by the Queensland Government to publicly record relevant government matters and decisions.
- ‘Owner’ shall have the same meaning as ‘owner’ as defined in section 53 of the TIA.
- ‘Subject Area’ shall be the ‘area to which access is limited’ as shown on TMR Plans numbered LA12003 to LA 12015.
- ‘TIA’ is the *Transport Infrastructure Act 1994*.
- ‘TMR’ is the Queensland Department of Transport and Main Roads.
- ‘TPCA’ is the *Transport Planning and Coordination Act 1994*.

2.0 Purpose

The purpose of this Access Policy is to define how the Queensland Government will manage access between Adjacent Land and the Subject Motorway to ensure the Subject Motorway provides a very high level of road safety, traffic flow capacity and transport efficiency for the traffic using the Subject Motorway in the short, medium and long term.

3.0 Objectives

The Subject Motorway is part of Australia’s national highway network, with this section being part of the primary connection between South East Queensland, Southern Queensland, North Western Queensland and interstate destinations including Melbourne, Adelaide, Perth and Darwin.

It is imperative to the economic performance of the nation that the Subject Motorway is able to carry high volumes of traffic, including a large number of trucks, at high speed, with a high degree of safety, efficiency and reliability.

Strictly controlling access between Adjacent Land and the Subject Motorway is an essential element for providing the above motorway functionality. The Subject Motorway has been planned and designed in a manner to provide the required functionality, and this would be compromised if access from Adjacent Land is not strictly controlled.

4.0 Access Management

TMR Plans numbered LA 12003 to LA 12015 define:

- The Subject Motorway;
- The location of all approved points of Access between Adjacent Land and the Subject Motorway; and
- The level of access permitted at each Access.

The intent of this Access Policy is that apart from exceptional circumstances, no access other than as defined on TMR Plans numbered LA 12003 to LA 12015, shall be permitted between the Adjacent Land and the Subject Motorway. Exceptional circumstances will generally only apply where all of the following conditions exist:

- The Adjacent Land in question has no other means of legal access to the road network.
- Allowing access would not reduce road safety, road operations or traffic flow capacity, now or in the future.
- The access is approved for the current land use only.
- Access works are constructed to the requirements of the Chief Executive prior to the access being opened to traffic.

5.0 Declaration of Access Management

I herewith declare, that in accordance with section 54 of the TIA, this Access Policy shall apply to the Subject Motorway from the date this policy is published in the Gazette.

This means that from the date this Access Policy is published in the gazette, the access regime defined by this Access Policy shall apply to Adjacent Land and the Subject Motorway, and all future decisions made under section 62 of the TIA about access to the Subject Motorway from Adjacent Land, shall also comply with this Access Policy.

If a new Access Policy covering the Subject Motorway is published in the Gazette, then the new Access Policy shall replace this Access Policy.

A person must not construct or change a physical means of entry or exit for traffic between Adjacent Land and the Subject Motorway without first obtaining a decision under section 62(1) that authorises the construction or change. Maximum penalty—200 penalty units.

This Access Policy is available for public inspection during working hours, free of charge, at TMR's Toowoomba office.

This policy may in future be amended at any time without a Gazette notice if:

- The amendment merely changes or repeals specific provision for one or more particular properties; and
- The Owner or occupier of each property has been given written notice of the amendment.

Any person whose interests are affected by this Access Policy (or by a change created by a new Access Policy that replaces this Access Policy) may:

- Under section 485 of the TIA, ask for the original decision to be reviewed by the Chief Executive;
- Under part 5, division 2 of the TPCA, apply for the original decision to be stayed; and
- Under part 5, division 3 of the TPCA, appeal against the Chief Executive's decision on the review of the original decision, to the court stated in schedule 3 (of the TPCA) for the decision, and apply for the reviewed decision to be stayed.

Signed: KYM MURPHY

DIRECTIVE 3/15

Supersedes 16/14

Commission Chief Executive Directive: Voluntary Medical Retirement**1. Purpose:**

To establish a pilot scheme providing the conditions for and entitlements of public service employees who voluntarily retire for medical reasons.

2. Effective date:

6 November 2015

3. Legislative provisions:

Sections 53(baa), 53(c) and 136 of the *Public Service Act 2008* (PSA).

4. Application:

This directive applies to permanent public service employees engaged under the PSA and employed in the following agencies (the participating agencies):

- Department of Communities, Child Safety and Disability Services
- Department of the Premier and Cabinet
- Department of Education and Training
- Department of Agriculture and Fisheries
- Department of National Parks, Sport and Racing
- Department of Environment and Heritage Protection
- Department of Transport and Main Roads
- Department of State Development
- Department of Tourism, Major Events, Small Business and the Commonwealth Games
- Department of Justice and Attorney-General
- Queensland Treasury

Where an employee to whom this directive applies holds more than one public service role, the application of this directive is extended to their additional employing agency/ies if the employee is also employed by an agency not covered under this directive.

DIRECTIVE:**7. Managing illness or injury impacting upon the performance of duties**

- 7.1 The Queensland Government is committed to supporting public service employees who experience illness or injury to maintain their employment, including, where appropriate, through the application of reasonable adjustment.
- 7.2 It is recognised, however, that this aim may not always be feasible, achievable or in the best interests of the employer or employee. This directive provides a framework for managing situations where an employee identifies that they cannot continue in their role because of illness or injury.
- 7.3 Processes under this directive should be implemented with appropriate sensitivity and respect.
- 7.4 Voluntary medical retirement is not an alternative to performance or conduct management.

8. Voluntary medical retirement request

- 8.1 A public service employee may apply for a voluntary medical retirement package in accordance with the provisions of this directive, where they have medical evidence certifying that they have an injury or illness that prevents (or is reasonably likely to prevent) them from continuing in or returning to their substantive role.
- 8.2 The medical evidence must address the employee's illness or injury, prospects for rehabilitation or adjustment and impact on the employee's ability to safely and effectively perform their current or other roles for which they are reasonably qualified.
- 8.3 An agency representative may suggest to an employee that they consider seeking medical advice to determine whether they should apply to retire under this directive.
- 8.4 The chief executive may accept medical evidence from the employee's treating medical practitioner and/or may request that independent medical evidence be provided.
- 8.5 An application under clause 8.1 must also state whether the employee holds more than one public service role. If so, the application must state the role titles, enclose a copy of the role description for all roles and must address the impact of the injury or illness on all roles. Where multiple roles exist, clause 9 applies.
- 8.6 In considering an application under clause 8.1 the chief executive must have regard to:
 - (a) the medical evidence, including the likely prospects of rehabilitation;
 - (b) the ability to implement reasonable adjustment to support the continued employment of the employee;
 - (c) the availability of other roles within the agency to which the employee may be transferred or redeployed;
 - (d) a report from the employee's direct supervisor on the employee's performance; and
 - (e) any other matters the chief executive considers relevant.
- 8.7 Where the chief executive supports an application under clause 8.1, a letter of offer outlining the voluntary medical retirement package must be sent to the employee. The letter of offer must:
 - (a) provide the employee with two weeks to advise of their decision. Where no decision is advised within two weeks, the employee is deemed to have declined the offer, unless an extension is agreed to by the chief executive. Any extension under this clause must be reasonable and take into account the interests of the employer and employee in achieving an early resolution;
 - (b) nominate a proposed separation date, however this date can be amended by mutual agreement. A nominated separation date should reflect that the agency has medical

evidence that the employee cannot continue in their role and that achieving an early resolution is in the interests of the employer and the employee; and

- (c) attach a copy of this directive.

- 8.8 Employees are responsible for seeking their own advice in relation to financial and taxation issues and superannuation entitlements associated with accepting a voluntary medical retirement package, including the type and number of medical reports necessary to meet Australian Tax Office requirements for employment termination payments.
- 8.9 Where the chief executive does not support an application under clause 8.1, written advice, including reasons, must be provided to the employee.

9. Employees with multiple roles

- 9.1 Where an employee holds multiple roles that are:
- (a) substantially the same, and/or
 - (b) the nature of the illness or injury is such that it impacts on the employee's ability to continue in more than one / all of the roles,
- an application under clause 8.1 must be made simultaneously in relation to all relevant permanent roles.
- 9.2 Where an employee holds multiple roles within an agency the chief executive must consider the factors in clause 8.6 in relation to each role.
- 9.3 Where an employee holds a role in more than one participating agency the chief executives of the employee's agencies must:
- (a) consult with each other about any offer, including any transfer opportunities to maintain employment
 - (b) consider the application to retire in respect of the roles in their agency.
- 9.4 Where an employee holds multiple roles including one in an agency not participating in this directive:
- (a) the chief executive of the employee's agency must consult with the chief executive(s) of the other agency(ies) about any offer, including any transfer opportunities to maintain employment
 - (b) The chief executive(s) is/are responsible for determining whether any offer of a voluntary medical retirement package is contingent upon the employee separating from all public service roles.
- 9.5 Where an employee who holds multiple roles, and as a result of clauses 9.3 or 9.4, is transferred such that their full-time equivalency equals or exceeds that of their combined roles, a voluntary medical retirement package may not be offered.
- 9.6 Where an employee who holds multiple roles, and as a result of clauses 9.3 or 9.4, is offered an increase to their full-time equivalency in one role, such that it equals or exceeds that of the combined roles, a voluntary medical retirement package may not be offered.

10. Voluntary medical retirement package

- 10.1 A voluntary medical retirement package comprises the following:
- (a) accrued recreation leave;
 - (b) accrued long service leave for employees who have worked for at least five (5) years, on the basis of 1.3 weeks for each year of continuous service and a proportionate amount for an incomplete year of service;

- (c) a severance payment of two weeks full-time pay per full-time equivalent year of service and a proportionate amount for an incomplete year of service paid at the employee's substantive appointed level. The minimum payment is four weeks pay, and the maximum is 52 weeks.
- 10.2 A chief executive may, in consultation with the Commission Chief Executive of the Public Service Commission, offer an incentive payment as part of the voluntary medical retirement package.
- 10.3 A voluntary medical retirement package and any incentive payment for employees working on a part-time basis (as at the date of proposed separation) is to be calculated on a pro-rata basis.

11. Re-engagement

- 11.1 A person who accepts a voluntary medical retirement package under this directive may be re-engaged as a consultant, contractor, or employee in a Queensland Government entity provided that:
- (a) the person provides medical evidence that clearly and unambiguously states that the person's current condition would not affect their ability to safely and effectively perform the proposed role and re-engagement would not pose a risk of worsening or aggravating an existing injury or illness, including the injury or illness for which the person accepted a voluntary medical retirement package;
 - (b) the employing agency has completed a risk assessment that supports re-engagement;
 - (c) the person repays the severance payment, where they are liable for repayment, as if it were a severance payment under the directive relating to early retirement, retrenchment and redundancy; and
 - (d) any other matters the chief executive considers relevant are satisfied.
- 11.2 The chief executive may accept medical evidence from the employee's treating medical practitioner and/or may request that independent medical evidence be provided.
- 11.3 Where a chief executive has made a decision under clause 9 that an employee with multiple part-time roles is not required to separate from all roles to receive a voluntary medical retirement package, the employee may continue in their existing role (or substantially similar role) but may not otherwise be engaged as a consultant, contractor, or employee in a Queensland Government entity, unless the requirements of re-engagement as set out in clause 11.1 are met.
- 11.4 A chief executive is responsible for determining if a role is substantially similar, having regard to whether the role uses the same skill sets as the existing role and whether it is or is not impacted on by the injury or illness which led to the voluntary medical retirement under clause 8.

12. Relationship with Chapter 5, Part 7 of the *Public Service Act 2008*

- 12.1 Voluntary medical retirement under this directive is a distinct and separate process from a medical assessment and subsequent decision under Chapter 5, Part 7 of the PSA.
- 12.2 Notwithstanding clause 12.1, an employee may make an application under clause 8.1 of this directive, where a direction has been made under s175 of the PSA but prior to a decision being made under s178 of the PSA and to avoid any doubt, an employee is not eligible for a voluntary medical retirement package where a decision has been made under s178 of the PSA.
- 12.3 Where a chief executive makes a decision under this directive to not offer a voluntary medical retirement package or an employee declines an offer under clause 8.7 of this directive, the chief executive should consider what action, if any, should be taken under Chapter 5, Part 7 of the PSA.

13. Reporting

- 13.1 A chief executive must provide information about the implementation of this directive as requested by the Commission Chief Executive of the Public Service Commission.

14. Transitional arrangements

- 14.1 A person who retired under the superseded directive may be re-engaged as a consultant, contractor, or employee in a Queensland Government entity on the conditions set out in this directive.
- 14.2 An application for a medical retirement package lodged by an employee under the superseded directive is to be decided under that directive.

15. Definitions

Medical evidence means medical evidence that the chief executive considers provides sufficient information, including at least one specialist medical opinion to enable the chief executive to make a decision about the employee's application to retire or re-engagement.

Multiple roles means multiple part-time roles or a combination of part-time and casual roles, provided that at least one role is a permanent role.

Service, for the purposes of determining the separation payment, means any period of service that has been recognised for the purposes of calculating long service leave. This includes the current period of employment and any previous periods of service recognised in accordance with the directive relating to recognition of previous service and employment. Where an employee has previously received a severance payment¹, any recognised service to that date, will not count towards service when determining a separation payment under this directive.

¹ Including, but not limited to severance payments received for redundancy, retrenchment or voluntary separation program.

It is notified that, pursuant to Section 319T(2)(1)(b) of the *Corrective Services Act 2006*, a Victim Trust Fund has been established in the name of **Robert James EVANS** as a result of a payment to him pursuant to the *Personal Injuries Proceedings Act 2002*. Victims of **Robert James EVANS** may have a claim against the Victim Trust Fund and that claim may be payable from the Victim Trust Fund. Potential claimants have six months from the publication of this notice to start a proceeding in a court to have an eligible victim claim against **Robert James EVANS**.

Any victims of **Robert James EVANS** who commence a claim against the offender and wish to make a claim against the Victim Trust Fund must notify the Public Trustee of the commencement of the claim and provide sufficient proof of the commencement of the claim to satisfy the Public Trustee. This notification must be made to the Public Trustee within six months of the publication of this notice, as detailed above.

It should be noted that pursuant to section 319S(2)(a) of the *Corrective Services Act 2006*, a victim may have a potential eligible victim claim whether or not the offender is prosecuted for, or convicted, of an offence in relation to the conduct for which the victim is claiming.

Further information relating to this claim can be obtained, in the first instance, by writing to:

Local Government Regulation 2012 (Qld)

SALE OF LAND FOR OVERDUE RATES

To: The Owners listed in the Schedule below.

In accordance with Section 142 of the *Local Government Regulation 2012* (Qld), the Council of the City of Gold Coast (The City) hereby gives notice that unless all overdue rates and associated charges are paid, together with any costs incurred in the sale procedures on the property listed in the schedule below, such property will be sold by public auction.

The properties will not be open for inspection.

SCHEDULE

Owner	RPD	County	Parish	Property Address
Aubrey Bernard Cheong	L403 SP161678	Ward	Gilston	Unit 403, 2007 Gold Coast Highway, Miami, Queensland
Mitchell William Byrnes	L60 RP887352	Ward	Gilston	111 Kingarry Circuit, Merrimac, Queensland

The auction will take place at **10am on Thursday 26 November 2015 in the Auditorium, SCC Conference Centre, Griffith Way, Cnr Olsen Avenue, Southport 4215.**

All intending bidders must register on the day of the auction between 9am and 9:50am, provide photo identification as well as a \$5,000.00 refundable deposit in order to bid at the auction. Payment can be made via bank cheque payable to Gold Coast City Council or EFTPOS (Debit card, Mastercard or Visa). If the Credit option is selected there will be a 0.6% surcharge applied. Cash will not be accepted. Unsuccessful bidders will have their deposit refunded on the day. The City will retain the successful purchaser's deposit as full deposit under the contract with the balance of the purchase price due at settlement, which will be Thursday 10 December 2015.

A reserve price will be placed on the land in accordance with the *Local Government Regulation 2012*.

The City is unable to provide any further information regarding the individual properties such as layout, number of bedrooms etc. It is the responsibility of interested parties to perform their own enquiries before attending the auction. The successful purchaser is responsible for vacant possession after the settlement of the sale of the property. Information showing the current properties due to auction and the full terms and conditions can be found on our website cityofgoldcoast.com.au/saleofland

All enquiries regarding the proposed auction should be directed to The City on telephone (07) 5581 6001 or by email to saleofland@goldcoast.qld.gov.au
