District program highlights

In 2018–19 we completed:

- construction of a roundabout at the New England Highway and Stanthorpe Connection Road southern intersection
- safety improvements on the Warrego Highway at various intersections and accesses on the western and eastern outskirts of Dalby, as part of the Warrego Highway Upgrade Program, jointly funded by the Australian Government and Queensland Government
- construction of various overtaking lanes on the Warrego Highway between Dalby and Miles, as part of the Warrego Highway Upgrade Program, jointly funded by the Australian Government and Queensland Government
- packages 2, 3 and 5 of the Warrego Highway (Oakey – Miles) safety upgrades, which included six intersection upgrades, road widening in some sections, and safety works such as removal of roadside hazards and culvert drops, as part of the Warrego Highway Upgrade Program, jointly funded by the Australian Government and Queensland Government.

In 2019–20 we will:

- complete upgrading of the Chinchilla Rail Crossing on the Warrego Highway between Dalby and Miles, jointly funded by the Australian Government and Queensland Government
- identify the preferred solution for the Accommodation Creek Crossing project located on the New England Highway (Warwick – Wallangarra), south of Stanthorpe

- continue upgrading existing shoulders, and widening and applying wide-centre line treatments on the Warrego Highway between Dalby and Miles, jointly funded by the Australian Government and Queensland Government
- continue intersection improvements on the New England Highway (Yarraman – Toowoomba) at Ruthven Street and North Street
- complete upgrading the Emu Creek Bridge on New England Highway, jointly funded by the Australian Government and Queensland Government (Yarraman – Toowoomba)
- complete upgrading of package 4 of the Warrego Highway (Oakey – Miles) safety upgrades, which includes intersection upgrade and road widening in Chinchilla, as part of the Warrego Highway Upgrade Program, jointly funded by the Australian Government and Queensland Government
- complete realignment of Oakey-Pittsworth Road approaches at Toowoomba-Cecil Plains Road.

- continue business case development for a package of safety works on the Gore Highway (Toowoomba – Goondiwindi).

Future plans

We continue to plan for the future transport requirements of the Darling Downs District.

In 2019–20 we plan to:

- continue the Warrego Highway East Masterplan
- continue planning for cycleways in Central Toowoomba

Endnotes

- (1) For other Australian Government funded projects, see 'Statewide commitments' section or the relevant district's 'National Network', 'State Network' and 'Local Network' tables.
- (2) Funding for this project is for pre-construction activities only.
- (3) Represents Australian Government funding commitment under the Roads of Strategic Importance. Project details and timing subject to further planning and negotiation with the Australian Government.
- (4) Funded through the Queensland Government's High Risk Roads Initiative, as part of the Targeted Road Safety Program.
- (5) Jointly funded under the Australian Government's Roads of Strategic Importance. Project details and timing subject to further planning and negotiation with the Australian Government.
- (6) Part of the Australian Government's Warrego Highway Upgrade Program, jointly funded by the Australian Government and Queensland Government.
- (7) Jointly funded by the Australian Government and Queensland Government. Project details and timing subject to further planning and negotiation with the Australian Government, noting the Queensland Government's initial priority is upgrading the Mount Crosby Road interchange.

Endnotes

- (1) For other Queensland Government funded projects, see the ‘Statewide commitments’ section or the relevant district’s ‘National Network’, ‘State Network’ and ‘Local Network’ tables.
- (2) BW - Busways; CW - Cycleways; HR - Heavy Rail; HRNN - Heavy Rail National Network; LR - Light Rail; LRRS - Local Roads of Regional Significance; MBI - Maritime Boating Infrastructure; MNA - Maritime Navigational Aids; MM - Multi-modal; NN - National Network; OBI - Other Bus Infrastructure; ORI - Other Rail Infrastructure; SN - State Network; SR - State Regional; SS - State Strategic; TRI - Transport-related Infrastructure.
- (3) In some instances, projects may include limited funding for planning activities. This does not guarantee continued funding for construction.
- (4) Allocations for projects scheduled to commence from 2021–22 and beyond are indicative for planning purposes. There may also be funding held at a district level pending works being prioritised. Priorities may be re-evaluated annually on a needs basis, with some project budgets including an acceptable amount of contingency.
- (5) Funded through the Queensland Government’s Transport Infrastructure Development Scheme.
- (6) Funded through the Queensland Government’s Safer Roads Sooner Program, as part of the Targeted Road Safety Program.
- (7) Funded through the Australian Government’s Black Spot Program.
- (8) Part of the Australian Government’s Heavy Vehicle Safety and Productivity Program, jointly funded by the Australian Government and Queensland Government.

Endnotes

- (1) For other Queensland Government funded projects, see the ‘Statewide commitments’ section or the relevant district’s ‘National Network’, ‘State Network’ and ‘Local Network’ tables.
- (2) LGAC - Local Government Roads Alliance Capability; LGAR - Local Government Air; LGBI - Local Government Bus Infrastructure; LGCW - Local Government Cycleway; LGFI - Local Government Ferry Infrastructure; LGMA - Local Government Maritime; LGRD - Local Government Road; TRIG - Transport-related Infrastructure Grants.
- (3) Indicative project cost may include a local government co-contribution to complete the related works. The local government co-contribution is not included in the sub-totals referenced in the Local Network table, as the sub-totals only reflect the amount provided by TMR. Allocations have been rounded to the nearest thousand dollars.
- (4) Funded through the Australian Government’s Black Spot Program.
- (5) Part of the Australian Government’s Heavy Vehicle Safety and Productivity Program, jointly funded by the Australian Government and Local Government Authorities.
- (6) Part of the Australian Government’s Bridges Renewal Program, jointly funded by the Australian Government and Local Government Authorities.
