

VETERINARY LABORATORY QUALITY MANAGEMENT SYSTEM

FORM GEN-009

NECROPSY FINDINGS: FORM B

The Department of Agriculture and Fisheries is collecting the information on this form to provide our government with information to perform diagnostic testing for animal and plant disease management and control. This information will only be accessed by authorised employees within the department. Some information may be given to external laboratories (as listed in the link) for the purpose of further testing if required while some information may be provided to other state and federal animal and plant health authorities (as listed in the link) for the purpose of animal and plant disease management, control and reporting. Your information will not be disclosed to any other parties unless authorised or required by law.
