

Submission to the Parole Board Queensland

1. Your details

Your registration on the Victims Register is confidential. However, if you would like the Parole Board Queensland (the Parole Board) to know who you are, you can provide this information below.

If you do not want the Parole Board to have this information, please leave this blank and the Victims Register will enter your registration number here instead.

You can choose to provide as much or as little information as you feel comfortable with.

Your name:		Date of birth:	
Victim Register reference number:		Date of submission:	
Have you previously given a Victim Impact Statement to the court, when the prisoner was being sentenced?		No – skip to Section 2 Yes	
If yes, do you consent to the Parole Board requesting a copy of this from the court?		No Yes	
If yes, please provide details of which court this statement was given to and the date of the sentencing (if known). Please note, the Parole Board will need to know your name to request a copy of your Victim Impact Statement from the court.			

2. Information about the prisoner

What is the name of the prisoner you are making a submission about?	
Do you consent to the Victims Register telling the Parole Board the reason you are registered against the prisoner? For example, this person is registered as the victim of a violent offence committed by the prisoner.	No Yes

3. Previous submissions to the Parole Board

Have you previously made a submission to the Parole Board about this prisoner?	No – skip to Section 4 Yes
Do you consent to the Parole Board considering your past submission(s) now?	No Yes
Is there any new information you would like to provide? Please consider if you have moved to a new area or if there are any changes to the conditions you previously asked to be put on the prisoner's parole order (such as not to enter a certain area).	No Yes

If you do not want to provide a new submission or any new information, you do not need to answer any more questions on this form. If you do have new information to provide, please provide this in the space below.

4. Safety concerns

Do you have concerns for your safety if the prisoner lives in or visits a certain area?

No
Yes

If yes, please provide information about the specific areas (such as a suburb) that concern you and why.
Please note, you may prefer to include a map of the area of concern.

The Parole Board may decide to put conditions on the prisoner's parole order that prohibit them from entering some areas. The prisoner is provided with a list of these conditions, but not told why the Parole Board decided to include them. Do you provide consent for the areas you have named above to be listed on the prisoner's parole order?

No
Yes

Do you have concerns for your safety if the prisoner has contact with you and/or your family if they are granted parole?

No
Yes

If yes, please provide the names of the people you do not wish the prisoner to have contact with and why.

<p>The Parole Board may decide to put conditions on the prisoner's parole order that prohibit them from contacting some people. The prisoner is provided with a list of these conditions, but not told why the Parole Board decided to include them. Do you provide consent for the names you provided above to be listed on the prisoner's parole order?</p>	<p>No Yes</p>
---	-------------------

If yes, please provide the names of the people you do not wish the prisoner to have contact with and why.

--

5. Other information

If you would like to suggest any conditions that you believe should be included on the prisoner's parole order, please provide this information below and include the reasons for your recommendation.

--

<p>If the Parole Board decide to grant the prisoner parole, are there any sensitive or significant dates you would like considered when deciding a release date? If so, please list these.</p>	<p>No Yes – provide dates below.</p>
--	--

If you have other information the Parole Board may not know, which you believe may assist them when considering the prisoner's application for parole, please provide this below.
