QUEENSLAND LAND TAX

2005-06 financial year

ASSESSMENTS ON LAND OWNED AT 30 JUNE 2005 COMMENCED ISSUING IN AUGUST, 2005

Assessments of land tax on all land owned at midnight on 30 June 2005 will be issued automatically based on Office of State Revenue records. As a result, landowners are *not* required to lodge a return or joint return with the Commissioner in respect of land owned at midnight on 30 June 2005. Details of the landholdings on which an assessment is based and any exemptions and deductions granted will appear on the assessment notice. Landowners have an obligation to inform the Office of State Revenue ("OSR") of any inaccuracies in their landholdings and when they receive an exemption or deduction to which they are not entitled. Failure to notify OSR may incur a penalty. Also, landowners may be entitled to claim an exemption or deduction. Further information about exemptions and deductions is available in the Land Tax section of the OSR website at www.osr.qld.gov.au.

Landowners who consider that they may be liable to pay land tax and do not receive an assessment by 30 June 2006 must provide details of their landholdings to OSR by 31 July 2006.

The liability of a landowner for land tax is determined having regard to the relevant unimproved value of all freehold land owned by the landowner in Queensland. Landowners may be liable for land tax if the relevant unimproved value of all land owned is equal to or greater than:

- \$450,000 for natural persons (other than absentees);
- \$300,000 for companies, trustees, clubs, associations, societies, and absentees;
- \$450,000 for deceased estates under administration;
- \$300,000 for trustees of testamentary trusts;

The unimproved value of land will appear, in most cases, on 2005-06 Council rates notices or will be obtainable from the respective regional centres of the Department of Natural Resources and Mines. Further information about land tax is available from the following OSR service centres:
