Essential information for all placements at Gold Coast Health

This booklet has been created to provide you with relevant information in preparation for the first day of your clinical placement with Gold Coast Health.

If you have any questions about your placement with Gold Coast Health, please contact our Clinical Placements Officer using the following contact details:

E. gcnursingclinicalplacements@health.qld.gov.au
P. 07 5687 3268 | 7 am to 4 pm, Monday to Friday (excluding Public Holidays)

Mandatory requirements

It is a **requirement** for all students attending a clinical placement at facilities located across Gold Coast Health watch the student orientation video prior to your first day. To access this video please click on the following image or link below:

Video link for Student Orientation: <https://vimeo.com/682651509/cdb3ec5eb1>

If you are attending a community placement, your Entry to Practice (E2P) Clinical Facilitator will touch base with you on the first or second day of your placement once commenced in your area, to ensure you understand all the orientation information.

 As per mandatory requirements, you must complete the following units listed on [iLearn](#) prior to placement once per calendar year (1 January – 31 December). You may be required to present evidence of completion at orientation.

Please see APPENDIX A for information on how to access iLearn and the Gold Coast HHS Student Clinical Placement Orientation program.

Please search for the exact name of the courses below in the Course Catalogue:

- Building Emergency Procedures/First-Response Evacuation Instructions (FREI)
- Code of Conduct
- Prevention and Management of Musculoskeletal Disorders (MSD)
- Health and Safety and Wellbeing Induction
- Cyber Security Essentials
- Infection Control Awareness
- Student Nurse ieMR WBT
- MAYBO Positive Approaches

Student deed polls

As per Queensland Health requirements, students must provide a full copy of their signed 2022-2025 Queensland Health Student Deed Poll to GCH prior to commencement date of their placement.

Please email your signed deed 1 week prior to your commencement to the following with the subject line as below:

- Email: GCNursingstudentdeeds@health.qld.gov.au
- Subject: Placement Date; Education Provider; Name
- Example: 11.08.2024; Griffith University; Jane Smith

 Clinical placement will not be able to commence unless this document has been received. Please include a PDF document of your deed poll in your email and ensure the correct Education Provider, Facility and ABN is clearly documented. Please ensure that your document is signed, witnessed and dated correctly and all pages are emailed to the provided email address.

COVID-19 considerations and mask fit testing

In addition to the orientation video, students are also to watch the 'correct use of masks for staff'. This is for situations when staff are asked to wear a mask at all times, upon entering the hospital as part of the COVID-19 response. Within the orientation video, you will see how to apply and remove a mask when required in a clinical situation.

[Click on the image to view the video on when and how to fit a mask](#)

Further important information

- You may be expected to wear masks that are supplied by the health service when on clinical placement. You should not be wearing personally supplied masks when on placement. Depending on Queensland Health facility restrictions, you may be expected to wear a N95 mask and therefore must be fit tested with an appropriate mask prior to commencing placement.
- You may be expected to show evidence of your fit test on your first day of placement.
- The message remains, if you have any signs or symptoms of being unwell, please stay at home until symptoms have gone. Refer to absenteeism section of this document for COVID-19 related absence.

Absenteeism

On your first day of placement, you may be required to provide next of kin contact details for use in case of emergency. Please follow the steps below if you are unable to attend clinical placement.

1. Contact E2P team at EntrytoPracticeTeam@health.qld.gov.au stating the following:
 - First and last name
 - Name of Education Provider, i.e. TAFE/Griffith. etc
 - Cluster you are assigned to (i.e. Cluster 1) **This will be assigned to you on day one.**
 - Allocated placement unit including the hospital/location of your placement e.g. Aged Response Team, Robina
 - When you plan to return to placement
2. Contact your Education Provider as per their policies
3. Contact your clinical unit prior to the commencement of your shift to let them know you will be absent

COVID-19 related absence - COVID-19 positive or close contact?

- If you are unwell with COVID-19 symptoms please test yourself
- Contact E2P team & your Education Provider as per their policies
- Contact E2P team to seek further information regarding current guidelines to return to placement as these are subject to change.

 You must email a medical certificate or statutory declaration to your Clinical Facilitator for any hours that you are absent from clinical placement prior to returning to placement. Your facilitator will advise you which document is required

Dress standard

 You are required to follow the University/TAFE uniform information as per Clinical Practicum Policy as well as the Gold Coast Health Uniform Procedure. If you fail to attend in correct attire, you will be at risk of being sent home.

Some key points to remember regarding the Gold Coast Health Uniform Procedure

- Clean and tidy- well groomed
- Enclosed shoes made of non-permeable materials
- Trimmed nails, no nail varnish, extensions, nail art or jewellery
- Discrete body piercings and covered tattoos (if pornographic or violent in nature)
- Bare below the elbows

Facility access

Gold Coast University Hospital and Robina Hospital based placements

- Security swipe cards are only to be worn while on hospital premises.
- Failure to return your swipe card to your Clinical Facilitators on your last day of placement may result in a delay in receiving an assessment outcome from placement.
- Notify your Clinical Facilitator immediately if you lose your swipe card as it will need to be deactivated for security reasons. Lost security swipe cards may include a replacement charge.
- Do not bring large bags or valuables as storage is limited.

Non-hospital based community placements

No access cards at Southport Health Precinct (SHP)

Numinbah Correctional Centre – Health Clinic placements

- Please contact your education providers, clinical placement team as soon as possible to ensure all your [pre-placement paperwork](#) is complete.
- You may be subjected a random bag search at any time during placement. Please do not bring any personal items such as electronics, USBs, tablets, computers etc.
- Your mobile phone is not to be brought into the facility under any circumstance.
- Please see below information regarding meal arrangements.

P Transport and parking

! We strongly advise when parking off-site after hours to please walk with a friend/group.

Gold Coast University Hospital

- Paid parking is available at GCUH car park located on Hospital Boulevard – there are no student discounts. Please refer the Appendix A – GCUH Map for parking area and check [Gold Coast Health's website](#) for more info.
- You may also choose to park at the Southport Sharks. More information can be found on the [website](#).
- Buses stop directly outside Gold Coast University Hospital.
- Gold Coast Light Rail stops directly outside Gold Coast University Hospital. [Click here](#) to view timetables and ticket prices. 'Park and ride' is available from Helensvale and Parkwood. Parking at the light rail stations is free.

Robina Hospital and Robina Health Precinct

- Students can park in the staff multistorey car park, which comes at a cost.
- You may park at Cbus Stadium or Laver Drive (short 5 minute walk to the hospital) at a cost.
- Buses stop directly outside Robina Hospital.
- Robina Train Station is conveniently located directly opposite Robina Hospital and is walking distance to the Robina Health Precinct.

Southport Health Precinct

- Light rails stop outside this location

Non-hospital based community placements

- Parking varies at different sites. Please ensure you arrive early on your first day to find appropriate and safe parking.

Numinbah Correctional Centre – Health Clinic placements

- On-site parking is available. Drive to the boom gate, press the buzzer and state name and “student nurse from (*specify your university name*) University/TAFE”. When the boom gate opens, drive slowly until you see the ‘P’ parking sign.

Meals

Gold Coast University Hospital

- GCUH – shop times vary, please check with individual retailers for more details.
- Griffith University Food Court – located across from the tram station on Griffith Uni campus.
- Fridges and microwaves are available in most clinical areas

Robina Hospital

- Bayberry Café – please check with vendor for current opening times.
- There is a staff tearoom on the Ground floor behind Bayberry Café with microwaves and tea/coffee facilities.
- Fridges and microwaves are available in most clinical areas.
- Vending machines with meals available in staff kitchen.

Non-hospital based community placements

Fridges and microwaves vary between facilities. We recommend that you pack a lunch that does not require refrigeration or heating for your first day to ensure you do not go hungry.

Numinbah Correctional Centre – Health Clinic placements

- There are no food vending facilities. Please bring a packed lunch each day. Fridge and microwaves are available at Numinbah as per email to facility.

Support while on clinical placement

You are encouraged to reach out to your Clinical Facilitator team to seek support during your placement. Please feel free to also contact the E2P Educator with any queries on the following email: E2P_Educator@health.qld.gov.au. You can also refer to your Education Provider for counselling and support services.

Clinical placement feedback

We value your feedback about your clinical placement experience. You will be provided with an opportunity to provide feedback at the end of your placement. If you wish to provide specific feedback about any aspect of your placement, please email: E2P_Educator@health.qld.gov.au

Orientation and Shift Times

! Please allow enough time for parking and finding your meeting location to arrive 10 minutes early for your orientation.

The following tables will provide you with important information relating to your orientation and shift times for your placement with Gold Coast Health. Please find the location for your upcoming clinical placement in the tables below.

APPENDIX A

Nursing Student Orientation 2024

Students undertaking clinical placement within a GCHHS facility must complete Queensland Health orientation requirements annually.

These orientation requirements must be current for the duration of the placement period.

The orientation requirements are outlined below:

1. Login to iLearn via <https://ilearn.health.qld.gov.au>. Please note that iLearn cannot be accessed via Internet Explorer. Please use an alternative browser.
2. Click the blue-green tile labelled 'Course Catalogue' (fig 1)

! Please note that it can take up to 48 hours to generate an iLearn account. Ensure you apply early to give yourself time to complete mandatory training prior to placement.

Course Catalogue
