

# How to find our ceremony venue

## for couples & guests attending on the weekend

### Access to the Brisbane registry

We're located on level 32 of the '180 Brisbane' building, accessible via the breezeway from 180 Ann Street, Brisbane City. A security guard will meet you at the Turbot Street entrance and direct you to the lifts which lead to our ceremony rooms. Before you plan your trip to the Brisbane registry, please refer to the map and instructions in pink below.

Arrive at least  
**15 mins**  
before the start  
of the ceremony

### Our Turbot Street entrance

Look out for the '180 Brisbane' building name. You will enter via these doors. Lift access also available.

### Parking and transport

We are centrally located to public transport with Central Railway Station just metres away along with King George Square and Queen Street bus stations within a few minutes walk.

There is paid parking available at:

- Wickham Terrace Car Park
- King George Square Car Park
- Queens Plaza
- Myer Centre

Ensure you arrive on time by planning your travel before the day. Sometimes there may be roadblocks or events in the city which may impact travel time or car park availability. You don't want to be late!

### Ceremony rooms etiquette

Please arrive at least 15 minutes before the start of the ceremony. There are guest waiting areas.

We would love to see photos of your day, you may like to share them with us by using our hashtag #brisbaneregistry on social media. Follow @rbdm.qld on Instagram and Facebook.

You are welcome to take photos on our ceremony floor. However, please be mindful our venue has some restrictions:

- do not take photos anywhere else in the building
- do not throw confetti, rice or flower petals in or around the ceremony rooms or anywhere else in the building
- food or drink is also not allowed in or around the ceremony rooms.
