**NOTICE OF AMENDMENT OF LAND DESIGNATED
FOR COMMUNITY INFRASTRUCTURE
MADE UNDER THE *SUSTAINABLE PLANNING ACT 2009***

An amendment of land designated for community infrastructure has been made by a Minister

I, Mark Bailey MP, Minister for Energy and Water Supply, give notice that I have amended a corridor of land designated earlier for community infrastructure under the *Sustainable Planning Act 2009* Chapter 5, by

- removing some land and easements from the earlier designation.

The earlier designation was notified in the Queensland Government Gazette on 30 November 2012 as land on which ENERGEX Limited proposes to build a 110 kilovolt sub-transmission line from Powerlink Queensland's Loganlea Substation to ENERGEX Limited's Jimboomba Substation and connection of the line into the Loganlea, Kingston and Jimboomba Substations.

Reason for amendment

The reason for the amendment to the earlier designation is a redesign of the designated alignment to enable ENERGEX Limited to move a section of the proposed 110 kilovolt powerline into the road reserve on the southern side of Camp Cable Road between Travis and Edelsten Roads.

Description of the land proposed to be removed from the earlier designation

The following easements and areas of land will no longer be subject to the earlier designation:

Easement /Area Reference	Easement /Area Plan Number	Property Lot No.	Property Survey Plan No.	Local Government
AT	SP231697	1	RP199189	Logan City Council

XM	SP231414	456	WD6290	Logan City Council

Type of community infrastructure for which the land proposed to be removed from the earlier designation

The land is designated for the same purpose as the earlier designation. The type of community infrastructure for which the land has been designated is operating works under the *Electricity Act 1994*. Specifically, these operating works are ENERGEX Limited's 110 kilovolt sub-transmission line from Powerlink Queensland's Loganlea Substation to ENERGEX Limited's Jimboomba Substation and connection of the line into the Loganlea, Kingston and Jimboomba Substations.

This community infrastructure is described under the *Sustainable Planning Regulation 2009*, Schedule 2, Part 2 as—

11. operating works under the *Electricity Act 1994*.
