QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

Department of Local Government, Sport and Recreation
Explanatory Information for the Model Code of Conduct for Councillors

Local governments are required by the *Local Government Act 1993* (LGA) to adopt a code of conduct for councillors which sets out behaviours and responsibilities for councillors.

Local governments may choose to adopt their own code of conduct, provided that it is consistent with the requirements in section 250F and the process set out in section 250J and section 250K.

Alternatively local governments are able to adopt the model code of conduct gazetted by the Minister for Local Government as their code of conduct. If a local government has not adopted a code of conduct within 6 months of each quadrennial election (section 250C), then the model code of conduct applies to councillors of the local government.

This Model Code of Conduct is current from the date of gazettal and replaces the Model Code of Conduct published in the Queensland Government Gazette on 29 February 2008.

This version of the model code of conduct does not apply to any council unless either a council adopts it via the process set out in section 250J and section 250K, or the council defaults to the model code of conduct under section 250C.

 - (e) enter the Easement Land to assess compliance by the Easement Holder with the terms of this Easement; and
 - (f) carry out any other use with the prior written consent of the Easement Holder which shall not be unreasonably withheld or delayed where the Landowner reasonably satisfies the Easement Holder that any other use is not likely to cause or contribute to:
 - (i) any adverse impact on the quality of water stored or to be stored in the Water Infrastructure or on the Easement Land;
 - (ii) damage to the Water Infrastructure or other property of the Easement Holder or other persons;
 - (iii) risk to public health or the environment; or

- For so long as the Landowner wishes to exercise the right under clause 5(a) to graze stock on the Easement Land as permitted by clause 5(a), the Easement Holder's right under clause 3(b)(ii) (to carry on and carry out, construct, alter, maintain, repair, renew or replace and/or place and keep on the Easement Land, Fencing and/or Related Work as permitted by clause 3(b)(ii)) must be exercised by the Easement Holder on the basis that either:
- (a) except in the case of an emergency, and then only for the duration of the emergency, the Fencing and/or Related Work is not placed or kept on the Easement Land in such a manner as will result in more than 30% of the Easement Land being fenced off from the watercourse at any one time without the prior written consent of the Landowner (such consent not to be unreasonably withheld or delayed); or
 - (b) should the Fencing and/or Related Work be placed or kept on the Easement Land in such a manner as will totally prevent the stock accessing water on the Easement Land or in the Water Infrastructure, then for so long as the Fencing and/or Related Work placed or kept on the Easement Land has that effect, the Easement Holder must provide to the Landowner a water facility on the Easement Land at industry's best practice (in a location to be determined by consultation with the Landowner) of sufficient size and capacity as will allow water storage sufficient to support drinking water for stock permitted to graze on the Easement Land in accordance with clause 5(a).
- 7. Indemnity**
- (a) The Easement Holder indemnifies the Landowner against all actions, suits, proceedings, demands, claims, losses, damages, costs and expenses, including any indirect or consequential loss ("**Claims**") arising from:
 - (i) any breach by the Easement Holder of the terms of the Easement; and

- (ii) any act or omission of the Easement Holder in the exercise of its rights under the Easement;
- except to the extent that any Claims are:
- (iii) caused; or
 - (iv) contributed to (but only to the extent of that contribution);
- by:
- (v) the act or omission of the Landowner or its officers, agents, contractors, subcontractors, tenants or licensees (not including the lawful construction by the Landowner of give and take fencing across the watercourse in accordance with this Easement); or
 - (vi) subject to clause 7(b), act of God, flood, storm or tempest.
- (b) The limitation in clause 7(a)(vi) shall not apply to the extent that the Water Infrastructure contributed to the impact of the act of God, flood, storm or tempest.

8. Breach

If either party breaches a provision of this Easement ("Breaching Party"), the other party ("Innocent Party") or any person employed, engaged or authorised in writing by the Innocent Party may do anything that is reasonably necessary to correct the breach (e.g. removing a Structure erected on the Easement Land in breach of the Easement). Except in the case of an emergency, no action may be taken under this clause by the Innocent Party unless the Innocent Party has given written notice to the Breaching Party of the alleged breach, and the Breaching Party has failed to remedy the breach within 10 Business Days of the written notice.

9. Other persons for whom Landowner is responsible

The Landowner is responsible to do all reasonable acts and things in an effort to ensure that persons on the Easement Land or neighbouring land owned by the Landowner do not do or omit to do anything that will cause the Landowner to be in breach of this Easement.

10. Ownership of Infrastructure

The Easement Holder is the owner of the Water Infrastructure on the Easement Land, where that Infrastructure is constructed by or on behalf of or with the authority of the Easement Holder.

11. Stamping and registering of Easement

The Easement Holder will pay all stamp duty and registration fees on this Easement.

12. Governing law

The laws of Queensland govern this Easement.

13. Severability

If a provision of this Easement is illegal or unenforceable it may be severed for the purposes of that jurisdiction without affecting the enforceability of the other provisions of this Easement.

14. GST

 - (ii) Any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause.
 - (iii) Any reference in this clause to GST payable by an entity includes any GST payable by the representative member of any GST group of

which that entity is a member. Any reference in this clause to input tax credits to which an entity is entitled will include input tax credits to which the representative member of any GST group of which that entity is a member is entitled.

- (b) Reimbursements and similar payments

Any payment or reimbursement required to be made under this Easement for a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which an entity is entitled for the acquisition to which the cost, expense or amount relates.
- (c) GST payable

If GST is payable in relation to a supply made under or in connection with this Easement then:

 - (i) any party ("**Recipient**") that is required to provide consideration to another party ("**Supplier**") for that supply must pay an additional amount to the Supplier equal to the amount of GST payable on the supply;
 - (ii) the additional amount is payable at the same time as any of the consideration is to be first provided for the supply or, if later, after the Supplier provides a valid tax invoice to the Recipient.
- (d) Variation

If the GST payable in relation to a supply made under or in connection with this Easement varies from the additional amount paid by the Recipient under clause 14(c) in relation to that supply then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this paragraph is deemed to be a payment, credit or refund of the additional amount payable under clause 14(c).

- 1.3 A reference in the Easement to a person includes a reference to a body corporate (including a local government) and every other kind of legal person.
