## Decorate with your own bunting.

### How to make your 'Buy locally Saturday' bunting:

- Step 1. Print out the other page of this file as many times as you want (each page equals about a metre of bunting).
- Step 2. Cut around each flag.
- Step 3. Tape the flags to a length of string, with each flag around 10 cm from the last.
- Step 4. Fold over the back flap and tape down.
- Step 5. Hang your bunting to show you're supporting 'Buy locally Saturday'.
