

Application for a pig brand

Brands Act 1915 and Brands Regulation 2012

Purpose of this form

This is an application to become a registered owner of a pig brand. Failure to provide information required in this form may result in your application not being processed and your application fee forfeited. You will be issued with the next available pig brand registerable in the district of your property that is **not** similar or easily convertible into any other pig brand registered for use at the same property or in the same locality (adjoining properties).

Information to assist in applying for a pig brand can be found at business.qld.gov.au/brand-tattoos-pigs

Pig brands may only be used in the district for which they are registered. A pig brand cannot be registered to a district more than once. Owners are responsible for obtaining their own branding instruments once a Certificate has been issued by the Registrar of Brands (Registrar). The branding instrument is to replicate the images on the Registration Certificate. The Registrar must be notified in writing of any alteration to the registration details of a brand.

A brand return must be submitted annually. Failure to lodge the return at any time during any three consecutive years will render the brand liable for cancellation. The Department of Agriculture and Fisheries (DAF) must be notified without delay in writing of any changes of address.
