#### 11. SPECIAL COVENANTS FOR STATE RESERVE LAND

- (a) The following clauses are in addition to or replace where noted those set out above and will form part of the covenants of this Easement when any land is designated as a Reserve in accordance with the *Land Act 1994* (as amended from time to time)
- (b) In this clause:  
 “Minister” means the Minister administering the *Land Act 1994* (as amended from time to time); and  
 “Trustee” means the relevant Trustee of the State Reserved Land.
- (c) **Reinstatement of fencing**  
 Clause 4.2 of this Easement is deleted and replaced with the following:  
*Unitywater must either:*
- (a) *Reinstate any fences damaged by doing the exercise of any of its rights granted herein, and*
- (b) *In lieu of restating any such fence, install a gate the quality and materials of workmanship of which must be not than the quality and materials of workmanship of the existing fence.*
- (ci) **Removal of unauthorised structures etc.** Clause 7 of this easement is omitted and replaced with the following:  
 If anything is erected, placed, found or installed on the Easement Land in contravention of Clause 5, Unitywater may, in addition to any other remedies, and having given the Owner reasonable notice of its intention to invoke this clause, enter Easement Land and remove or demolish the Matter. If it does so it may dispose the Matter. If it does so it may dispose of the Matter or any resultant demolition materials in such manner as it sees fit without being liable.
- (cii) **Removal of Trees**  
 Unitywater must not cut or remove timber or trees from the Easement Land without first giving reasonable notice to the Owner and obtaining all necessary permits. Such notice will not be required under this clause in the event that there is an actual or potential danger to persons or property or there is any interference or jeopardy to the supply of the Relevant Works.
- (ciii) **Removal of Assets upon termination of easement**  
 Under the *Land Act 1994*, an easement over a reserve ends when the dedication of reserve is revoked unless a written approval is provided by the Minister that the easement may continue over unallocated State Land when the dedication of reserve is revoked.  
 Upon termination of the Easement, Unitywater
- (i) must ensure that the Easement Land is left in a safe and stable condition to the satisfaction of the Minister; and
- (ii) will unless directed by the Minister otherwise, at its own cost and expense, remove all of the Relevant Works from the Easement Land; and
- (iii) will remove, at its own cost and expense, all of the Relevant Works from the Easement Land that may cause contamination or environmental harm to the Easement Land as defined by the *Environmental Protection Act 1994* or similar legislation.

#### (g) Indemnity and Risk

The following clauses will apply for the duration of the Easement and will continue to apply during the periods of rehabilitation and any removal of the Relevant Works under clause 11(f):

##### (i) Indemnity

- (a) Unitywater indemnifies and agrees to keep indemnified the Minister, the State of Queensland, Trustee and Owner (the “indemnified parties”) against all actions, suits, proceedings, claims, demands, costs, losses, damages and expenses (“Claims”) arising out of or in any way connected to or resulting from the granting of this Easement to Unitywater or which is connected to or resulting from Unitywater’s use and occupation of the Easement Land (all of which are referred to as “the indemnified acts or omissions”) save to the extent that the claim arises as a result of any negligent act or omission of the indemnified parties, however, any negligent act or omission or one of the indemnified parties does not negate the indemnity to any other indemnified parties.
- (b) Unitywater hereby releases and discharges the indemnified parties from any Claim relating to the indemnified acts or omissions

which may be made against the indemnified parties, save to the extent that the Claim arises as a result of any negligent act or omission of the indemnified parties, however, any negligent act or omission of one of the indemnified parties does not negate the release and discharge in favour of any of the other indemnified parties.

##### (ii) Public Risk

- (a) Unitywater must effect a public liability insurance policy with an insurer authorised under the *Insurance Act 1973* (Commonwealth) or, in any other case, to the satisfaction of the Minister naming Unitywater as the insured covering legal liability for any loss of, or damage to any property and for the injury (including death) to any person arising out of anything done or omitted on or about the easement land or any improvements thereon and against all claims, demands, proceedings, costs, charges and expenses whatsoever in respect thereof subject to the terms and conditions of the insurance policy.
- (b) Such policy must:
- i. be for an amount not less than \$20,000,000.00 (Twenty Million dollars) in respect of all claims arising out of a single event or such higher amounts as the Minister may reasonably require; and
  - ii. be effected on a “claims occurring” basis so that any claim made by Unitywater under the policy after expiration of the period of policy cover but relating to an event occurring during the currency of the policy will be covered by the policy subject to the claim meeting the policy’s other terms and conditions; and
  - iii. be maintained at all times during the currency of the Easement, and upon receipt of any Notice of Cancellation, Unitywater must immediately effect another public liability insurance policy in accordance with the provisions of this

- Clause 11(g) (ii).
- (c) Unitywater must also provide a certificate of currency within 14 days of a request by the Owner who may only make such request once a year.
- (d) Unitywater must, as soon as practicable, inform the Minister and Owner in writing, of the occurrence of any event that Unitywater considers is likely to give rise to a claim under the policy of insurance effected and must ensure that the Minister and Owner are kept fully informed of subsequent actions and developments concerning the claim.
- (h) **Power of Attorney**  
 Whist the Easement Land remains unallocated State Land or is dedicated as a Reserve pursuant to the Land Ad 1994 as amended from time to time or is registered solely in the name of the State of Queensland, Unitywater irrevocably appoints in so far as it is legally able to the State of Queensland the true and lawful attorney of Unitywater enabling the attorney to do all such things as the attorney may consider necessary or desirable to effect a surrender of this easement upon the default by the Unitywater of any condition, covenant or clause of this easement provided however that the State of Queensland may only exercise its right to surrender the easement under this clause if:
- (i) Unitywater has breached a condition, covenant or clause of this easement; and
- (ii) the State of Queensland has given written notice to the breach of Unitywater; and
- (iii) the State of Queensland has allowed Unitywater 90 days from the date of receipt of the notice to remedy the breach; and

#### Notes to the Remuneration schedule

The 2014 annual report by the former Local Government Remuneration and Discipline Tribunal explained the rationale behind the adoption of a system of remuneration which comprised a base payment (of two thirds of the annual remuneration) and a monthly payment based upon attendance at, and participation in, the 12 mandated council meetings.

The monetary amounts shown are the per annum figures to apply from 1 July 2025. If an elected representative only serves for part of a full financial year (that is, 1 July to 30 June) they are only entitled to a pro rata payment to reflect the portion of the year served.

**\* Note 1:** For councillors in category A1, A2 and A3 councils, a base payment (two thirds of the annual remuneration) and a monthly payment based upon attendance at council meetings (one third of the annual remuneration) is payable for the 12 months commencing of 1 July 2025. Participation in, scheduled meetings of council is subject to certification by the mayor and/or chief executive of the council. Mayors and deputy mayors in category A1, A2 and A3 are currently entitled to receive their full annual remuneration level shown.

The Commission has not determined to make changes to the system of base payment and mandated council meetings for its 2025-2026 determination. Future consideration by the Commission may be given to whether changes to the current system should be made.
