Queensland Building and Construction Commission Act 1991

SETTING OF INSURANCE PREMIUMS FOR RESIDENTIAL CONSTRUCTION WORK

Queensland Home Warranty Scheme

I, Brett Bassett, Commissioner, Queensland Building and Construction Commission, pursuant to section 68D of the *Queensland Building and Construction Commission Act 1991* (QBCC Act) state, with effect from 28 October 2016, that any insurance premium payable under Part 5 of the QBCC Act, as amended by the *Queensland Building and Construction Commission and Other Legislation Amendment Act 2014*, is to be calculated in accordance with the following:

- For cover which is not optional additional cover (mandatory cover):
 - where the work is for the erection or construction of a residence – Schedule 1;
 - where the work is for anything else – Schedule 2;
- For optional additional cover – Schedule 3.

For mandatory cover where the work includes the erection or construction of a residence as well as other work, refer only to Schedule 1 based on the total insurable value for all work.

Unless the contrary intention appears, wherever terms defined by the QBCC Act or the *Queensland Building and Construction Commission Regulation 2003* (QBCC Regulation) appear in this notice, including the schedules, those terms have the same meaning as in the QBCC Act or the QBCC Regulation.

For residential construction work, refer to the QBCC Regulation to determine how the insurable value is to be calculated. Also note section 68D of the QBCC Act regarding construction management contracts.

For optional additional cover – the amount payable under Schedule 3 is in addition to any amount paid or payable under Schedule 1 or 2.

SCHEDULE 1

For the Insurable Value: any amount over the \$1,000 threshold requires payment of the next level premium.

In all instances, the salary quoted in vacancy advertisements must be the Total Fixed Remuneration shown in Schedule 1 of this directive.

Directive:**6. Appointment as a senior officer**

- 6.1. Appointment as a senior officer will occur where the appointment is to a role assessed as being within the work value range for senior officers under the approved Job Evaluation Management System (JEMS) unless otherwise determined by the chief executive.

7. Attendance and hours of duty

- 7.1. The ordinary hours of duty of a senior officer may be determined by their chief executive, having regard to the health, well-being and work-life balance of the senior officer. A chief executive may approve reasonable time off without debit to a leave account where they consider the senior officer has worked in excess of their ordinary hours.
- 7.2. Chief executives may approve part-time work arrangements for senior officers. Part-time officers are entitled to the benefits and entitlements of full-time senior officers on a pro-rata basis.
- 7.3. Senior officers are not entitled to compensation for work performed outside of ordinary hours, however a meal allowance may be payable in accordance with the relevant directive.
- 7.4. A senior officer may be required by their chief executive to undertake official duties for the whole or part of a public holiday, as warranted by the circumstances.

8. Remuneration package and benefits

- 8.1. A senior officer shall receive remuneration in accordance with Schedule 1 of this directive.
- 8.2. When appointing a senior officer, the chief executive will determine the relevant pay-point of the remuneration package to be paid to the senior officer, commensurate with the senior officer's skills and expertise.
- 8.3. Increases in pay-points are not tied to duration in the role. Consideration of pay-point increases by the chief executive must be based on sustained performance that exceeds expectations. Increased duties or responsibilities will not be relevant to a change in pay-point as the role of senior officer is deemed to be within a work value range.
- 8.4. Senior officers may elect, through a signed agreement with their chief executive, to receive the following remuneration package benefits via in-house salary packaging at no cost to the officer:
 - a) the payment of employee superannuation contributions
 - b) the payment of subscriptions for membership of professional or occupational associations
 - c) any other benefit of a kind approved by the Commission Chief Executive of the Public Service Commission.
- 8.5. A remuneration benefit agreed in section 8.4 must not exceed the percentage of the superannuable salary that would apply if the senior officer was to access the agency's fee for service salary packaging scheme.
- 8.6. A senior officer may also access other salary packaging items from their agency's provider in accordance with the rules and charges associated with using that service.
- 8.7. A person acting as a senior officer (i.e. higher duties or temporary employee) may access the remuneration package benefits provided their initial placement in the senior officer role exceeds 12 months.

9. Telephone and other technology

- 9.1. Where determined by the chief executive, senior officers are to be provided with an official mobile telephone with internet / email capacity (smart phone) and are entitled to reasonable personal use of the smart phone, in accordance with departmental policy.

10. Application of award provisions and directives of the minister responsible for public sector industrial relations.

- 10.1. Senior officers are entitled to the benefits and allowances set out in the following award provisions and directives of the minister responsible for public sector industrial relations as though senior officers were covered by such directives, subject to the amendments and/or conditions noted below:
 - a) *Family Leave (Queensland Public Sector) Award - State 2012*, other than clauses 1.6, 9.4 and 9.5; and
 - b) the directive relating to critical incident entitlements and conditions, other than clauses relating to overtime, flexitime or time off in lieu.
- 10.2. The application of the directive relating to higher duties is varied for senior officers on the following basis:
 - a) the minimum period shall mean 'more than three days';
 - b) the relevant percentage will be 100 per cent;
 - c) the clauses dealing with payment of increments during relieving periods and the recognition of higher duties on appointment shall not apply; and
 - d) the calculation of the higher duties allowance should be the minimum of the range unless otherwise determined as warranted by the chief executive. A decision to pay above the minimum pay-point must be documented.

10.3. A senior officer may be provided with benefits under the directive relating to transfer and appointment expenses. Alternatively, transfer and appointment expenses may be paid in accordance with a proposal approved by their chief executive, and supported by a certificate from the chief executive that the total quantum for expenses under the proposal will be no greater than the reimbursement that would have been payable under the directive.
