Rights and obligations

3. That the rights and obligations conferred and imposed by the Easement include the matters set out in Schedule 1.

**SCHEDULE 1
DEFINITIONS**

1. Parties

In this Document

1.1 “Council” means COUNCIL OF THE CITY OF HERVEY BAY and its successors from time to time.

1.2 “Owner” means the registered owner of the land which is burdened by this Easement and its successors in title from time to time.

1.3 “Easement” means that part of the land which is burdened by this Easement and which is delineated as the Easement area on the Easement plan.

2. Relevant Works

In this document, “Relevant Works” means overland or underground drains, pipes, conduits and channels for the passage or conveyance of rainwater and other lawful discharges to local authority drainage through, across or under the Easement together with manholes, field inlet pits and all other usual or necessary fittings and attachments as well as works for the protection and/or support of all such things.

3. Rights of Council

The Council has full and free right and liberty at all times hereafter to enter upon the Easement for the purposes of constructing and thereafter forever using and maintaining such Relevant Works as it considers appropriate. In so doing, the Council may, by its employees, agents and other persons authorised by it:

3.1 construct, install, extend, deepen, widen, cleanse, add to, remove, inspect, maintain and repair the Relevant Works, and when and where it deems fit, remove and replace the Relevant Works with new Relevant Works (whether of a similar nature to those replaced or not);

3.2 dig into, sink shafts in, and erect scaffolding upon the Easement, and open and break up the soil of the Easement or any part thereof including the sub-surface;

3.3 remove and dispose of spoil created as a consequence of exercising its rights hereunder;

3.4 clear and keep clear the Easement by any means or method including cutting and removal of timber, trees and undergrowth from the Easement and burning off such timber, trees and undergrowth;

3.5 construct and maintain on the Easement such access tract, gates and appurtenant works as it considers necessary;

3.6 enter upon and remain, pass and repass on and over the Easement for all or any of the foregoing purposes with or without vehicles, plant or equipment of any description whatsoever, and

3.7 do such other works and things through, across, in or under the Easement as are incidental to proper exercise of the rights granted to the Council.

4. Property of Relevant Works

All relevant Works are and remain the property of the Council notwithstanding any actual or apparent affixation to the Easement, and the Council is solely responsible for the operation and maintenance of all Relevant Works.

5. Removal of Fencing

For the purpose of gaining access to the Easement the Council may demolish or break open any fencing on the Easement, but where livestock are contained within the fenced area sufficient notice must be given to the Owner to enable the livestock to be secured.

6. Reinstatement of Fencing

The Council must either:

- 6.1 reinstate all fences damaged by it in the exercise of any of its rights granted herein; or
- 6.2 in lieu of reinstating any such fence, install a gate the quality and materials of workmanship of which, except with the Owner's consent, must be not less than the quality and materials of workmanship of the existing fence. A gate so installed becomes the property of the Owner and thereafter must be maintained by the Owner.
- 7. No Structures etc. on Easement**
The Owner must not at any time without the written permission of the Council permit the:
- 7.1 erection of any buildings or structures upon the Easement or otherwise permit the Easement or any part thereof to be used in such a way as to obstruct or interfere with the Relevant Works and/or the proper and effective use thereof by the Council;
- 7.2 installation of concrete, bitumen or other pavement or driveways, or gardens or landscaping involving concrete, brick or other permanent materials upon the Easement;
- 7.3 removal or stockpiling of any soil, sand, gravel, or other substance or material upon the Easement, or construct any roads, dam walls or other earthworks on the Easement which would in any way obstruct or interfere with the Relevant Works and/or the proper and effective use thereof by the Council.
- 8. Removal of Unauthorised Structures etc.**
If any thing is erected, placed, found and installed upon the Easement in contravention of Clause 7, the Council may, in addition to any other remedies, and after having given the Owner reasonable notice of its intention to invoke this clause, enter the Easement and remove or demolish the matter. If it does so:
- 8.1 it may dispose of the matter or any resultant demolition materials in such manner as it sees fit without being liable to account to the Owner therefore (except as provided in Clause 8.2); and
- 8.2 it may recover, in any Court of competent jurisdiction, costs actually incurred by it in taking that action (including internal wages and salary costs) less any moneys actually received by it as a result of disposing of the thing or any resultant demolition materials.
- 9. Damage to Structures etc.**
The Council may, in its sole discretion, determine how the rights granted to it under this Easement are exercised. The Council must not wilfully damage or destroy any matter to any extent greater than is reasonably necessary to exercise its rights hereunder, but the Council:
- 9.1 except as specified in Clause 6 is not otherwise responsible for any damage to or destruction of any matter in the course of exercise of its rights hereunder;
- 9.2 is not under any obligation to reinstate, repair or replace any matter damaged or destroyed in consequence of exercise of its rights hereunder (except a fence which is separately covered in Clause 6) its only obligation where any matter has been damaged or destroyed being to leave the Easement in as clean and tidy a state as is practical having regard to the nature of the matter damaged or destroyed and the work the Council has done;
- 9.3 is not responsible in any event for inconvenience or disturbance to the Owner or occupiers of the Easement arising by through or in connection with the exercise of its rights hereunder;
- In this clause the "matter" means:
- buildings, structures or other materials or things erected, placed, found or installed upon the Easement (whether in contravention of Clause 7 or otherwise); and
 - trees and plants within the Easement.
- 10 Protection of Relevant Works**
The Owner must not do anything (whether by act or omission) likely to jeopardise or prejudicially affect the safety or reliable working of any Relevant Works.
- 11. Further Assurances**
- The benefit and burden of this Easement binds all persons deriving title from and under the Owner and the Council.

Each of them must, whenever so required by the other or a successor in title, do all things and give all assurances reasonable required for the proper and effective securing of the rights conferred hereunder. However, this clause must not be construed so as to require the Owner to accept any liability to contribute towards the maintenance and upkeep of the Relevant Works.
