3. Legislative provisions

Sections 53, 121 and 122 of the *Public Service Act 2008* (PSA).

4. Application

This directive applies to the engagement of public service officers on a contract of employment for a fixed term with remuneration equal to, or higher than, the remuneration payable to a SO, except public service employees covered by an industrial instrument.

5. Previous references

Directives 16/08, 2/08 and 11/04.

- 7.1 Fixed term contracts are to be for a period appropriate to the special circumstances of the employment situation. A fixed term contract must not:
- a) be used for continuing and ongoing roles that should be within the SES;
 - b) exceed a term of five years; or
 - c) be extended through a variation to the expiry date.
- 7.2 If a fixed term contract reaches its expiry date, the chief executive may enter into a further contract (i.e. new contract, not an extension to original contract) with the officer for the same role, without requiring approval from the Commission Chief Executive (CCE), provided the cumulative term of all contracts does not exceed five years.

- 7.3 The use of fixed term contracts under a scheme, initiative or employment strategy that are not covered by another directive must be approved by the CCE.

8. Remuneration

- 8.3 Remuneration increases for officers on fixed term contracts must not exceed increases for officers remunerated at a level equal to, or within, the remuneration ranges applying to:
- SO and senior executives – the relevant increases set out in directives relating to SO and SES employment conditions; or
 - chief executives – the relevant increases approved by the Premier.
- 8.4 A chief executive may decide not to pass on a remuneration increase to an officer, without requiring approval from the CCE.

9. Administration

- 9.1 The CCE will determine any administrative arrangements required when an employment contract for a fixed term is being considered, including the standard contract(s) to be used.
- 9.2 Chief executives must report to the CCE (in a form required by the CCE) on the number and details of fixed term contracts approved in their agencies.
