**PAY NO
ESTABLISHMENT
FEE ON HOME LOANS
OF MORE THAN
\$100,000***

Queenslanders
PERSONAL BANKING

For a limited time
Queenslanders are
offering you 'NO
ESTABLISHMENT
FEES' on our range
of home loans.

In addition to
stripping our home
loans of the traditional
establishment fees,
we've removed a lot
of the hurdles and red
tape banks normally
like to associate with
buying a home or
investment property.
With our wide range
of loans you're sure to
find one that suits you,
and we can even
arrange for a
pre-approval.

THE ORIGINAL HOME LOAN

A basic, no nonsense variable rate loan with a low interest rate and no monthly account keeping fees, suited to the owner-occupier. Don't pay for features you don't need or want.

THE EASY LIVING HOME LOAN

Enjoy a discounted variable for the first 12 months, then pay our standard low variable rate. Pay no monthly account keeping fees and use the redraw facility free through PhoneBanking.

THE FIXED RATE HOME LOAN

Ensure your protection against interest rate rises by fixing your loan rate for two or three years at a time. Make budgeting a breeze and take advantage of no ongoing monthly account keeping fees and a free redraw facility through PhoneBanking.

THE HOME ACTION LOAN

Combine your home loan and transaction accounts and pay off your home as fast as possible. Deposit your salary into your loan account and reduce the principal you pay interest on, saving you thousands and years off your loan.

DEPARTMENT OF PRIMARY INDUSTRIES AND FISHERIES

Anyone, including commercial and recreational fishers, fishing groups, all levels of Government, interest groups and members of the public should note that the Department of Primary Industries and Fisheries (DPI&F) has released a public discussion paper.

The Review is a requirement under the *Fisheries (East Coast Trawl) Management Plan 1999* and has been conducted by the DPI&F in conjunction with its Trawl Management Advisory Committee.

Ecological sustainability of fishing effort has been comprehensively assessed by examining target and byproduct species and bycatch; changes in the fleet profile of the trawl fishery, the total amount and spatial distribution of fishing effort and economic performance of trawlers.

All interested parties are invited to obtain a copy of the Discussion Paper and Response Form from the DPI&F website at www.dpi.qld.gov.au/fishweb or by telephoning the DPI&F Call Centre on 13 25 23.
