

NOTICE TO MARINERS

609 (T) of 2024

Issued by Gladstone Maritime Region on 18 December 2024

Area: Maryborough pilotage area
Locality: Mary River and Great Sandy Strait
Activity: Flooding causing debris

Mariners are advised that:

There is a severe weather event impacting the entire Maryborough Region. Mariners are advised to be aware of floating debris and logs, both on the surface and underwater.

Mariners should also be aware that navigation aids, particularly buoys, may well have been moved off station by the flood waters and debris. Mariners should navigate with extreme caution and not rely on navigational aids being in the correct position.
