

Queensland **SMALL BUSINESS** Month

The Queensland Government supports individuals and small businesses to reach their full potential. If you are starting out, need support, or want to take your business to the next level, we can help.

Starting or running a business

Business Queensland

Information, events, and support are available online for Queensland business owners and industry. Whether you are starting out, running a business, or ready to go next level, all kinds of support can be found at Business Queensland.

business.qld.gov.au

Small business grants*

Federal, state and local governments offer grants to help Queensland small businesses increase key capabilities and embrace innovation, and to assist high-growth businesses to capitalise on opportunities. *Eligibility criteria applies.
