SCHEDULE 1**Terms of Easement**

The following terms and conditions shall apply to the Easement for amelioration of negative environmental effects associated with transport infrastructure (road traffic noise and visual impacts) over land described in Schedule 2:-

1. Interpretation

Unless the context otherwise requires or the contrary intention appears, the following terms shall have the meanings respectively assigned to them:

"**DMR**" means the State of Queensland acting through the Department of Main Roads and includes all persons authorised by the Chief Executive of the Department of Main Roads.

"**install and operate**" means install, construct, erect, operate, maintain, inspect, repair, renew, replace, upgrade, dismantle and/or remove.

"**Land**" means that land described as the balance of Lot 4 on SP187412, Parish of Smithfield, County of Nares (i.e. that part of Lot 4, excluding this easement, which was not resumed by the State of Queensland for transport purposes).

"**Landowner**" means the registered proprietor from time to time of the Land.

2. Purpose of Easement

The Landowner shall allow DMR to:

- (a) Install and operate road traffic noise ameliorative treatments and/or landscaping within the Easement Area; and
- (b) enter, go, pass and repass on foot or with motor vehicles of any description, laden or unladen, over and upon the Easement Area or any part thereof.

3. No Damage

The Landowner shall not alter, damage or destroy any road traffic noise ameliorative treatments or landscaping located within the Easement Area without the consent of DMR.

4. Structures

The Landowner shall not construct any structures within the Easement Area except where approved/required by DMR.

Integrated Planning Act 1997

PUBLIC NOTICE
EACHAM SHIRE COUNCIL
ADOPTION OF THE PLANNING SCHEME
AND PLANNING SCHEME POLICIES
FOR THE SHIRE OF EACHAM

Notice is given under the *Integrated Planning Act 1997*, Schedule 1 that on 12th October 2006 Eacham Shire Council adopted its new Planning Scheme.

The Planning Scheme will have effect on and from 14th November 2006.

The Planning Scheme becomes the Planning Scheme for the area and replaces the existing Planning Scheme.

On the same date the Council also adopted the following planning scheme policies under the *Integrated Planning Act 1997*, Schedule 3 –

Planning Scheme Policy 1: Additional Identified Cultural Heritage Features of Natural Features or Resources

The purpose and general effect of the policy is to outline the process for nomination of additional areas of cultural heritage features, natural features or resources to be nominated for inclusion on the Planning Scheme Maps.

Planning Scheme Policy 2: Consultation

The purpose and general effect of the policy is to provide additional guidance to applicants in relation to additional public consultation that may be required for Development Applications.

Planning Scheme Policy 3: Information Council May Request

The purpose and general effect of the policy is to provide additional guidance to applicants in identifying additional information applicants are encouraged to provide up front as part of a Development Application and provide guidance on the preparation and assessment of additional information.

Planning Scheme Policy 4: Yungaburra Design Guidelines

The purpose and general effect of the policy is to provide additional guidance to applicants in relation to the design outcomes sought for the Yungaburra Town Centre Character Area.

Planning Scheme Policy 5: FNQROC Regional Development Manual

The purpose and general effect of the policy is to adopt the FNQROC Regional Development Manual as a Planning Scheme Policy. This Planning Scheme Policy and the FNQROC Regional Development Manual represent Council's Standards of Service and Construction Standards for Infrastructure.

Planning Scheme Policy 6: Water Supply Headworks & Works External

The purpose and general effect of the policy is to require, as a condition of granting approval of certain applications, applicants to pay a contribution towards the cost of water supply headworks and water supply works external. This policy is an interim measure allowed under Section 6.1.20 of the *Integrated Planning Act 1997* until the adoption of an Infrastructure Charges Plan.

Planning Scheme Policy 7: Sewerage Supply Headworks & Works External

The purpose and general effect of the policy is to require, as a condition of granting approval of certain applications, applicants to pay a contribution towards the cost of sewerage supply headworks and sewerage supply works external. This policy is an interim measure allowed under Section 6.1.20 of the *Integrated Planning Act 1997* until the adoption of an Infrastructure Charges Plan.

Planning Scheme Policy 8: Development Contributions for Roadworks

The purpose and general effect of the policy is to require, as a condition of granting approval of certain applications, applicants to pay a contribution towards the cost of roadworks. This policy is an interim measure allowed under Section 6.1.20 of the *Integrated Planning Act 1997* until the adoption of an Infrastructure Charges Plan.

Planning Scheme Policy 9: Off Street Car Parking

The purpose and general effect of the policy is to establish criteria for the payment of cash-in-lieu of the provision of off-street car parking spaces.

Planning Scheme Policy 10: Park Contributions

The purpose and general effect of the policy is to establish criteria for the payment of cash-in-lieu of the provision of parkland.

The planning scheme policies will have effect on and from 14th November 2006.

The planning scheme policies replace the following existing Eacham Shire Council policies –

1. Town Planning Policy No. 7/94 - Development Contributions for Sewerage Supply (including all amendments);
2. Local Planning Policy - Spacing, Design and Siting Requirements for Duplex and Multiple Dwelling Developments (including all amendments);
3. Town Planning Policy No. 2/97 - Guidelines for Engineering Design of Subdivisions (including all amendments);
4. Local Planning Policy No. 10/97 - Licensing Requirements for Rural Stay and Host Home Uses (including all amendments);
5. Local Planning Policy No. 11/97 - Rural Domestic Water Supply Policy (including all amendments);
6. Town Planning Policy No. 12/97 - Development Contributions for Water Supply (including all amendments);
7. Town Planning Policy No. 13/97 - Off Street Carparking (including all amendments);
8. Town Planning Policy No. 14/97 - Development Contributions for Roadworks (including all amendments).

A copy of the Planning Scheme and Planning Scheme Policies is available for inspection and purchase at the Eacham Shire Council Chambers, 31 James Street, Malanda.

A copy of the Planning Scheme and Planning Scheme Policies are also available for inspection at the Department of Local Government, Planning, Sport and Recreation, in the Planning Information Area, Level 25, Mineral House, 41 George Street, Brisbane.

PLEASE NOTE:

The Department of Education, Training and the Arts may initiate a criminal history check on the nominated applicant(s) for vacancies advertised above.

Positions, which involve working directly with students require the preferred applicant to be subject to a Working With Children Check.

Corporate and Professional Services (CAPS) is the shared services provider for Education Queensland. CAPS operates as a separate business unit working within resource/service agreements in partnership with the Department.

For Principal Band 6-11 positions, the School Annual Report has replaced the school profile. Applicants should contact the District Office in which the vacancy occurs to obtain a copy of this report. The position description is unique to each Band. The Applicant Package is common to Bands 6-11 Principal positions.

For Deputy Principal Band 6-7 positions, the applicant should contact the relevant school to obtain a copy of the school profile.

DEPARTMENT OF EMERGENCY SERVICES

The Department of Emergency Services is an Equal Employment Opportunity Employer and particularly encourages applications from Aboriginal and Torres Strait Islander people, people from a non-English speaking background, women and people with a disability.

Note.—Application for positions within the Department of Emergency Services must include the original, plus three copies of the complete application

Full position descriptions and any additional information is available from the relevant advertising department, or the Smart Jobs and Careers website: www.jobs.qld.gov.au.

QUEENSLAND WATER COMMISSION**WATER ACT 2000****NOTICE OF A COMMISSION WATER RESTRICTION****LEVEL 4 WATER RESTRICTION - RESIDENTIAL AND NON-RESIDENTIAL**

This Commission Water Restriction Notice is issued by the Queensland Water Commission ("Commission") pursuant to section 360ZE of the *Water Act 2000*.

The Commission notifies that pursuant to section 360ZD of the *Water Act 2000*, this Commission Water Restriction will apply to the following categories of water use being:

1. Residential water use as set out in **Schedule 1** of this Notice; and
2. Non Residential water use as set out in **Schedule 2** of this Notice.

This Commission Water Restriction Notice will take effect on and from **1 November 2006**. **Schedule 3** defines particular words that are used in this Commission Water Restriction Notice.

This Commission Water Restriction will apply to the local government areas of the following local governments within the SEQ region being:

- Beaudesert Shire Council;
- Brisbane City Council;
- Caboolture Shire Council;
- Council of the Shire of Esk ;
- Gatton Shire Council;
- Gold Coast City Council;
- Ipswich City Council;
- Kilcoy Shire Council;
- Laidley Shire Council;
- Logan City Council;
- Pine Rivers Shire Council; and
- Redcliffe City Council.

For these local government areas, while this Commission Water Restriction is in force, it is to be the only Restriction in force for the matters that are described in **Schedule 1** and **Schedule 2** of this Commission Water Restriction Notice and any service provider water restriction will not apply to such matters.

This Commission Water Restriction does not apply to reasonable actions taken to prevent material risks associated with an accident, fire or hazard to health, safety or the environment.

<p>N1</p> <p>Non-Residential Premises where consumption is 20 ML/year or greater.</p>	<p>After 30 April 2007, on such premises with:</p> <ul style="list-style-type: none"> • an actual annual metered water consumption of 20 ML or greater for the period 1 July 2005 to 30 June 2006; or • an actual annual metered water consumption of 20 ML or greater based on the most recent four quarterly rating periods or, the last 12 month rating period (as applicable); or • an estimated annual consumption for the premises based on an extrapolation of the water consumption as set out in the available quarterly rating periods that is greater than 20ML; <p>the water from the reticulated (town) supply system is not permitted to be used except where:</p> <ul style="list-style-type: none"> • if water consumption figures for the period 1 July 2004 to 30 June 2005 are available, the premises achieves either quarterly or annually (depending on the relevant applicable rating period) a 25% reduction in water consumption, as compared to the average quarterly level of consumption or the annual metered consumption during the period 1 July 2004 to 30 June 2005; or • the water is used on the premises in accordance with a WEMP that has, prior to 30 April 2007, been submitted to the service provider responsible for the relevant local government area for approval; or • the service provider has, after considering the Evaluation Criteria, granted written approval to the entity operating the premises to: <ul style="list-style-type: none"> • submit a WEMP after 30 April 2007; or • comply with a specific measure in this Restriction by a specific date that is after 30 April 2007.
<p>N2</p> <p>Non-Residential Premises where consumption is greater than 10 ML/year and less than 20 ML/year.</p>	<p>After 31 July 2007, on such premises with:</p> <ul style="list-style-type: none"> • an actual annual metered water consumption of greater than 10 ML and less than 20 ML for the period 1 July 2005 to 30 June 2006; or • an actual annual metered water consumption of greater than 10 ML and less than 20 ML based on the most recent four quarterly rating periods or, the last 12 month rating period (as applicable); or • an estimated annual consumption for the premises based on an extrapolation of the water consumption as set out in the available quarterly rating periods that is greater than 10ML and less than 20ML; <p>the water from the reticulated (town) supply system is not permitted to be used except where:</p> <ul style="list-style-type: none"> • if water consumption figures for the period 1 July 2004 to 30 June 2005 are available, the premises achieves either quarterly or annually (depending on the relevant applicable rating period) a 25% reduction in water consumption, as compared to the average quarterly level of consumption or the annual metered consumption during the period 1 July 2004 to 30 June 2005; or • the water is used on the premises in accordance with a WEMP that has, prior to 31 July 2007, been submitted to the service provider responsible for the relevant local government area for approval; or • the service provider has, after considering the Evaluation Criteria, granted written approval to the entity operating the premises to: <ul style="list-style-type: none"> • submit a WEMP after 31 July 2007; or • comply with a specific measure in this Restriction by a specific date that is after 31

	July 2007.
<p>N3</p> <p>Non-Residential Premises – kitchen / bathroom / laundry and ablution.</p>	<p>After 30 June 2007, on such premises with:</p> <ul style="list-style-type: none"> • an actual annual metered water consumption of 1 ML or greater for the period 1 July 2005 to 30 June 2006; or • an actual annual metered water consumption of 1 ML or greater based on the most recent four quarterly rating periods or, the last 12 month rating period (as applicable); or • the estimated annual consumption for the premises based on an extrapolation of the water consumption as set out in the available quarterly rating periods that is greater than 1ML; <p>the water from the reticulated (town) supply system is not permitted to be used for bathroom, laundry, ablution or kitchen fittings except where:</p> <ul style="list-style-type: none"> • in relation to the premises it can be demonstrated that the internal water fittings on the premises comply with the following water efficiency standards being: <ul style="list-style-type: none"> • all the taps are water efficient taps; and • all the showerheads are water efficient showerheads; and • all the trigger sprays are water efficient trigger sprays; or • a Part 1A WEMP has been submitted to the service provider responsible for the relevant local government area by 31 March 2007 and the service provider has, after considering the Evaluation Criteria, then granted written approval for the premises to comply with a measure in this Restriction by a specific date that is after 30 June 2007. <p>The water efficiency flow rates for taps, showerheads and trigger sprays under this N3 Restriction may be achieved by pressure control on systems or through the use of individual fitting controls.</p> <p>The requirements in this N3 Restriction apply to premises that are within the N1 and N2 Restrictions. Compliance with the N1 and N2 Restrictions does not in any way reduce the obligation to fully comply with the requirements of this N3 Restriction.</p> <p>This Restriction does not prevent the maintenance of a minimal number of non water efficient fittings to allow the continued use of specialist equipment that needs higher flows or pressures to enable the delivery of appropriate operational, commercial or safety outcomes.</p> <p>Compliance with this Restriction can be demonstrated by:</p> <ul style="list-style-type: none"> • producing a certificate from a licensed plumber certifying that the premises is fitted with the required number of water efficient taps, showerheads and trigger sprays; or • producing a Part 1A WEMP and evidence to show that all specified work has been completed; or • producing a statutory declaration which declares that the premises is fully compliant with all the terms of this Restriction.
<p>N4</p> <p>Non-Residential Premises - Cooling towers.</p>	<p>After 30 April 2007, on such premises, water from the reticulated (town) supply system is not permitted to be used within cooling towers except where:</p> <ul style="list-style-type: none"> • if water consumption figures for the period 1 July 2004 to 30 June 2005 are available, the premises achieves either quarterly or annually (depending on the relevant applicable rating period) a 25% reduction in water consumption, as compared to the average quarterly level of consumption or the annual metered consumption during the period 1 July 2004 to 30 June 2005; or • the water is used on the premises in accordance with a WEMP that has, prior to 30 April 2007, been submitted to the service provider responsible for the relevant local government area for approval; or • the service provider has after considering the Evaluation Criteria granted written approval to the entity operating the premises to: <ul style="list-style-type: none"> • submit a WEMP after 30 April 2007; or • to comply with a specific measure in this Restriction by a specific date that is after 30 April 2007.

	<p>The requirements in this N4 Restriction apply to premises that are within the N1 and N2 Restrictions. Compliance with the N1 and N2 Restrictions does not in any way reduce the obligation to fully comply with the requirements of this N4 Restriction.</p>
<p>N5</p> <p>Non-Residential Premises - Established gardens and lawns.</p>	<p>For such premises, water from the reticulated (town) supply system is not permitted to be used for the watering of established gardens (including parks and gardens of significance and heritage gardens) and lawns by sprinkler, unattended watering device or handheld hose.</p> <p>For such premises, water from the reticulated (town) supply system is not permitted to be used for the watering of gardens (including parks and gardens of significance and heritage gardens) and lawns except where the watering is performed with a handheld bucket or watering can filled directly from a tap within the following times:</p> <p>For ODD numbered premises:</p> <ul style="list-style-type: none"> • Tuesday, Thursday and Saturday: <ul style="list-style-type: none"> • between 4:00am and 8:00am; and • between 4:00pm and 8:00pm. <p>For EVEN numbered and unnumbered premises:</p> <ul style="list-style-type: none"> • Wednesday, Friday and Sunday: <ul style="list-style-type: none"> • between 4:00am and 8:00am; and • between 4:00pm and 8:00pm
<p>N6</p> <p>Non-Residential Premises - Newly established gardens and lawns.</p>	<p>For such premises, water from the reticulated (town) supply system is not permitted to be used for the watering of newly established gardens (including parks and gardens of significance) and lawns except where the watering is by attended handheld hose with a trigger or twist nozzle or using water efficient methods and where the watering occurs within the following hours:</p> <ul style="list-style-type: none"> • for 1 hour only on the day of establishment; and • for 1 hour daily (between 4:00am and 8:00am) for 14 days (including Mondays) after the date of establishment (receipt of installation required).
<p>N7</p> <p>Non-Residential Premises - Road reserves, Local, State and Commonwealth government reserves and Council parks.</p>	<p>For such premises, water from the reticulated (town) supply system is not permitted to be used for the watering of road reserves, Local, State and Commonwealth government reserves and Council parks.</p>
<p>N8</p> <p>Non-Residential Premises - Active playing surfaces of sportsgrounds.</p>	<p>After 31 December 2006, on such premises water from the reticulated (town) supply system is not permitted to be used for the watering of active playing surfaces of sportsgrounds except where the watering is conducted in accordance with a WEMP that has, prior to 31 December 2006, been submitted to the service provider responsible for the relevant local government area for approval and if a service provider approved sign is displayed on the premises.</p> <p>A WEMP which has after 13 May 2005, and before the date of commencement of this Commission Water Restriction Notice, in respect of the premises already been submitted to the service provider responsible for the relevant local government area, but which has not yet been approved by the service provider, is taken to be a duly submitted WEMP for the purposes of this Restriction.</p> <p>The requirements in this N8 Restriction apply to premises that are within the N1 and N2 Restrictions. Compliance with the N1 and N2 Restrictions does not in any way reduce the obligation to fully comply with the requirements of this N8 Restriction.</p>
<p>N9</p> <p>Non-Residential Premises - nurseries, turf farms and market gardens.</p>	<p>After 31 December 2006, on such premises water from the reticulated (town) supply system is not permitted to be used for watering commercial stock and production areas except where the watering is conducted in accordance with a WEMP that has, prior to 31 December 2006, been submitted to the service provider responsible for the relevant local government area for approval and if a service provider approved sign is displayed on the premises.</p> <p>A WEMP which has after 13 May 2005, and before the date of commencement of this Commission Water Restriction Notice, in respect of the premises already been submitted to the service provider responsible for the relevant local government area, but which has not yet been approved by the service provider, is taken to be a duly submitted WEMP for the purposes of this Restriction.</p> <p>The requirements in this N9 Restriction apply to premises that are within the N1 and N2</p>

	Restrictions. Compliance with the N1 and N2 Restrictions does not in any way reduce the obligation to fully comply with the requirements of this N9 Restriction.
N10 Non-Residential Premises – Cleaning of or other application of water to external building areas.	For such premises, water from the reticulated (town) supply is not permitted to be used for the purpose of cleaning of or other application of water to external building areas (including windows, building façades, roof and paved surfaces) except where the cleaning or other application of water is undertaken with: <ul style="list-style-type: none"> • a high pressure water cleaning unit; or • a mechanical water efficient cleaning device; or • handheld buckets filled directly from a tap; or • other water efficient method.
N11 Non-Residential Premises - animal husbandry.	For such premises, water from the reticulated (town) supply system is not permitted to be used for animal husbandry purposes (including kennels, mobile animal washers, pounds or agricultural premises) except where the water is used for animal welfare and survival purposes including for: <ul style="list-style-type: none"> • the provision of drinking water for animals; or • the washing of animals; or • the cleaning of animal pens and enclosures with a high pressure water cleaning unit that is connected to a trigger nozzle or which uses other water efficient methods.
N12 Non-Residential Premises - Installation and maintenance of irrigation systems.	For such premises, water from the reticulated (town) supply system is not permitted to be used in installation and maintenance of irrigation systems except where the irrigation system is being tested for the purpose of installation or maintenance by a commercial operator for the minimum period required to test or maintain the irrigation system.
N13 Non-Residential Premises - Vehicle washing in a fixed permanent commercial location.	After 31 December 2006, for such premises water from the reticulated (town) supply system is not permitted to be used for the washing of vehicles in fixed permanent commercial locations (including vehicle service centres, permanent bay car wash/self serve car wash and automatic car washing machines) except where the washing of vehicles is undertaken in accordance with a WEMP, that has, prior to 31 December 2006 been submitted to the service provider responsible for the relevant local government area for approval and if a service provider approved sign is displayed on the premises. A WEMP which has after 13 May 2005, and before the date of commencement of this Commission Water Restriction Notice, in respect of the premises already been submitted to the service provider responsible for the relevant local government area, but which has not yet been approved by the service provider, is taken to be a duly submitted WEMP for the purposes of this Restriction. The requirements in this N13 Restriction apply to premises that are within the N1 and N2 Restrictions. Compliance with the N1 and N2 Restrictions does not in any way reduce the obligation to fully comply with the requirements of this N13 Restriction.
N14 Non-Residential Premises - Motor vehicle dealerships.	For such premises, water from the reticulated (town) supply system is not permitted to be used for washing vehicles (including boats and caravans) except where: <ul style="list-style-type: none"> • the vehicle is washed using water from a handheld bucket filled directly from a tap; or • the vehicle is washed by a high pressure water cleaning unit; or • the washing is required to flush inboard and outboard motors and any other mechanical parts or components to prevent corrosion and maintain safe operation.
N15 Non-Residential Premises - Washing of commercial /business vehicles by the vehicle operator.	For such premises, water from the reticulated (town) supply system is not permitted to be used to wash a commercial/business vehicle (including a boat or a caravan) except where: <ul style="list-style-type: none"> • the vehicle is washed using water from a handheld bucket filled directly from a tap; or • the vehicle is washed by a high pressure water cleaning unit; or • the washing is required to flush inboard and outboard motors and any other mechanical parts or components to prevent corrosion and maintain safe operation.
N16 Non-Residential Premises - Land development, subdivisional	For such premises, water from the reticulated (town) supply system is not permitted to be used for activities associated with land development and subdivisional activities (including dust suppression, earthworks, road and service construction, landscaping, slope stabilisation or erosion control) except where the written approval of the service provider responsible for the relevant local government area has been obtained.

activities.	The written approval of the service provider can be in the form of compliance with the terms of a relevant public notice that has been issued by the service provider responsible for the local government area.
N17 Non-Residential Premises - Commercial construction.	For such premises, water from the reticulated (town) supply system is not permitted to be used for commercial construction on non residential premises (including concrete, masonry and general building activities) unless the water is used with a hose which has a trigger or twist nozzle or by using other water efficient methods and the construction site is attended at all times when the water is being used.
N18 Non-Residential Premises - Public water play facilities.	For such premises, water from the reticulated (town) supply system is not permitted to be used to operate or top up a public water play facility that does not recirculate water. Water from the reticulated (town) supply system is not permitted to be used to top up or fill a public water play facility that recirculates water except where the written approval of the service provider for the relevant local government area has been obtained.
N19 Non-Residential Premises - Fountains.	For such premises, water from the reticulated (town) supply system is not permitted to be used for operating fountains.
N20 Non-Residential Premises - ponds, lakes, dams and other water storage facilities.	For such premises, water from the reticulated (town) supply system is not permitted to be used for the topping up or the filling of ponds, lakes, dams and other water storage facilities. This Restriction does not apply to potable water from the reticulated (town) supply system that is used for washing or cleaning purposes which is then collected in detention ponds.
N21 Non-Residential Premises - outdoor public swimming pools.	For such premises, water from the reticulated (town) supply system is not permitted to be used for the operation or topping up of an outdoor public swimming pool that does not recirculate water. For such premises, water from the reticulated (town) supply system is not permitted to be used to top up or fill an outdoor public swimming pool that recirculates water except where the water is used in accordance with a WEMP that has, prior to 31 March 2007, been submitted to the service provider responsible for the relevant local government area for approval. The requirements in this N21 Restriction apply to premises that are within the N1 and N2 Restrictions. Compliance with the N1 and N2 Restrictions does not in any way reduce the obligation to fully comply with the requirements of this N21 Restriction.

SCHEDULE 3

Act means the *Water Act 2000* as in force from time to time.

service provider approved sign means a sign that complies with the standard signage issued by the relevant service provider and displays the appropriate permit or approval number if a permit or approval number has been issued as part of the approval process put in place by the service provider.

spa means a bath or larger facility through which aerated water is pumped and which is primarily used for recreation. The term includes mobile or portable spas.

sportsground means any land used or adapted for use for the purpose of any sport, game, contest or any other form of recreation by any public authority, business, company, trust, club, school, institution, or like organisation.

swimming pool cover means a cover that has a 400 micron thickness (400 thousandths of a millimetre) and which is approved as a pool cover under the *Smart Approved WaterMark Scheme*.

trigger nozzle or twist action nozzle means a nozzle, controlled by a trigger, button, twist action or similar mechanism which must be controlled by hand for the water to flow.

vehicle means a conveyance that is designed to be propelled or drawn by any means and includes a motor vehicle, trailer, caravan, boat or aircraft whether registered for use on roads or not.

water efficient methods means those methods of operation that achieve the desired outcome with the minimum amount of water.

water efficient showerhead means a showerhead that has a 3 star rating or better under the Australian Water Efficiency Labelling and Standards Scheme or a showerhead that has a maximum flowrate of 9 litres per minute.

water efficient tap means a tap that has a 3 star rating or better under the Australian Water Efficiency Labelling and Standards Scheme or a tap that has a maximum flowrate of 9 litres per minute.

water efficient toilet means for new dwellings a toilet that has a 3 Star rating (6/3 L) or better under the Australian Water Efficiency Labelling and Standards Scheme or, for an existing dwelling it means a toilet that has a 1 Star rating (9/4.5 L) or better under the Australian Water Efficiency Labelling and Standards Scheme.

water efficient trigger spray means a trigger spray that has a 3 star rating or better under the Australian Water Efficiency Labelling and Standards Scheme or a trigger spray that has a maximum flowrate of 7.7 litres per minute.

water efficient washing machine means a washing machine that has a 4 Star rating or better under the Australian Water Efficiency Labelling and Standards Scheme.

watering can means a watering can and other similar vessels with a volume capacity of less than 20 litres.

water play facilities means facilities in non-commercial or public places where water sprays, pools and other water features are used predominantly for recreation and children's play activities.

water play pools and water toys means any toy that is operated by running water supplied by a hose or any portable play pool.

WEMP means a Water Efficiency Management Plan:

- prepared in accordance with WEMP Guidelines published by the Queensland Water Commission;
- which the relevant service provider has not declined to approve;
- is capable of third party certification;
- contains details of how either a water consumption reduction of 25% or best practice water efficiency is being achieved, or will be achieved within a nominated time for the types of water uses on the premises; and
- contains an outline of the quantity of water savings that will be achieved and the program timelines for achieving these water savings.

WEMP Guidelines means Guidelines issued from time to time by the Queensland Water Commission and which deal with issues relating to WEMPs including:

- approval processes for a WEMP;
- the review and monitoring of a WEMP;
- the level of commitment by an organisation to comply with a WEMP; and
- the making of amendments to a WEMP.

**INSTRUMENT OF DELEGATION
WATER ACT 2000**

MEANING OF TERMS

1. For the purposes of this Instrument of Delegation:

"Act" means the Water Act 2000;

"Commission" means the Queensland Water Commission which is established pursuant to Chapter 2A, Part 2 of the Act;

"commission water restrictions" means the written restrictions that are made from time to time by the Commission restricting all or any of the following in the SEQ region or a designated region being:

- (a) the volume of water taken by or supplied to a consumer or type of consumer of a service provider;
- (b) the hours when water may be used on premises for stated purposes;
- (c) the way water may be used on premises.

Definitions used in the Act may also be used to interpret this Instrument of Delegation.

POWER TO DELEGATE

3. This Instrument of Delegation is made under section 360ZG(1) of the Act.

DELEGATION OF FUNCTIONS AND POWERS OF THE COMMISSION

4. The Commission hereby delegates to each of the individual water service providers that are listed below in Schedule One, all of the Commission's functions and powers to:

- (a) give notices under section 360ZE of the Act about commission water restrictions; and
- (b) monitor and enforce compliance with any commission water restrictions.
