

# Kickstarter Grants

Getting young people back on track through early intervention programs.

Applications for Round 1 of the 2024–2025 Kickstarter Grants close on 8 May 2025.

Individual grants of up to \$300,000 are available for community-led early intervention solutions that focus on:

- reducing crime
- identifying and addressing the range of risks and needs for young people
- repairing relationships with family and kin
- supporting a young person's re-engagement with education, training, or employment
- reducing anti-social behaviour
- improving community safety.
