District profile

Overview

The Wide Bay/Burnett District covers an area of about 48,599km², or around 2.8% of Queensland. It extends from Kalpowar in the north to south of Nanango, and from Bundaberg, Maryborough and Gympie in the east to west of Eidsvold.

The district has an estimated residential population of about 286,705 or around 6.2% of Queensland's total population.¹

The district looks after about 2,688km of state-controlled roads and about 273km of the National Network.

District program highlights

In 2013-14 we completed:

- construction of a deviation of the Bruce Highway at the southern approach to Gin Gin, funded by the Australian Government
- upgrade of the Bruce Highway and Walker Street intersection to improve the alignment, turning movements and visibility, funded by the Australian Government
- construction of a deviation of the Bruce Highway at Back Creek Range, jointly funded by the Australian Government and Queensland Government
- progressive upgrades to Eidsvold-Theodore Road, including road widening and culvert replacements

- construction of a new overtaking lane on the D'Aguilar Highway between Yarraman and Kingaroy, near the Lucas Road intersection
- various safety improvements on the Bruce Highway at Apple Tree Creek as part of the Safer Roads Sooner program
- upgrade of the Bruce Highway intersections at William Street and Lower Thomas Street at Howard, funded by the Australian Government.

In 2014-15 we will:

- continue construction of a deviation of the Bruce Highway between Cabbage Tree Creek and Carman Road, jointly funded by the Australian Government and Queensland Government
- complete realignment and construction of a channelised right-turn at the Gympie-Brooloo Road and Yabba Creek Road intersection as part of the Safer Roads Sooner program
- complete construction of a new northbound overtaking lane on the Bruce Highway near Doghole Creek, funded by the Australian Government
- continue rehabilitation of the Burnett River Bridge on the Bundaberg-Gin Gin Road, Bundaberg Central
- commence upgrading the Tinana interchange (in southern Maryborough), jointly funded by the Australian Government and Queensland Government

- continue rehabilitation of pavements on sections of the Isis Highway, Childers
- continue rehabilitation of the Kennedy Bridge, Bargara Road, 2km east of Bundaberg
- commence intersection improvements at Woongool Road, Maryborough-Hervey Bay Road, 2km north of Maryborough
- continue concept planning of the Bruce Highway from Cooroy to Curra between Traveston Road and Keefton Road (Section C), jointly funded by the Australian Government and Queensland Government.

Future plans

We are continuing to plan for the future transport requirements of residents in the Wide Bay/Burnett district.

In 2014-15 we plan to:

- continue developing preliminary plans for upgrades to numerous intersections within the urban areas of Hervey Bay and Maryborough
- continue to plan and preserve a transport corridor for a future heavy vehicle bypass of Childers so that the safety and transport efficiency of the Bruce Highway can be maintained in the medium to long term.

Endnotes

- (1) For other Queensland Government funded projects, see the Statewide commitments section or the relevant district's National Network, State Network and Local Network tables.
- (2) BW - Busways; CW - Cycleways; HR - Heavy Rail; LR - Light Rail; LRRS - Local Roads of Regional Significance; MBI - Maritime Boating Infrastructure; MNA - Maritime Navigational Aids; MM - Multi-modal; NN - National Network; OBI - Other Bus Infrastructure; ORI - Other Rail Infrastructure; SN - State Network; SR - State Regional; SS - State Strategic; TRI - Transport-related Infrastructure.
- (3) In some instances, projects may include limited funding for planning activities. This does not guarantee continued funding for construction.
- (4) Allocations for projects scheduled to commence from 2016-17 and beyond are indicative, for planning purposes. Priorities may be re-evaluated annually on a needs basis, according to available funds. The majority of funding in 2015-16 and beyond will be held at a district level until works have been prioritised.
- (5) Natural Disaster Relief and Recovery Arrangements (NDRRA) for eligible projects are jointly funded by the Australian and Queensland Governments. The funding is provided to TMR through the Queensland Reconstruction Authority.
- (6) Funded by the Queensland Government's Safer Roads Sooner program.
- (7) This project is funded as part of the Queensland Government's Royalties for the Regions Program.
