QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered employees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Employees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

Any payment or reimbursement required to be made under this Easement for a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which an entity is entitled for the acquisition to which the cost, expense or amount relates.

(c) GST payable

If GST is payable in relation to a supply made under or in connection with this Easement then:

- (i) any party ("**Recipient**") that is required to provide consideration to another party ("**Supplier**") for that supply must pay an additional amount to the Supplier equal to the amount of GST payable on the supply;
- (ii) the additional amount is payable at the same time as any of the consideration is to be first provided for the supply or, if later, after the Supplier provides a valid tax invoice to the Recipient.

(d) Variation

If the GST payable in relation to a supply made under or in connection with this Easement varies from the additional amount paid by the Recipient under clause 14(c) in relation to that supply then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. *Classification of Films Act 1991***APPLICATION AS AN APPROVED ORGANISATION**

Applicant: Life Eternal Trust (Sahaja Yoga Meditation)

Requirements: Section 56(2)

- (a) In its application submitted by the Life Eternal Trust (Sahaja Yoga Meditation), the applicant clearly demonstrates the primary purpose of the organisation is to:
- Help facilitate the teachings of Sahaja Yoga Meditation by its founder Mataji Nirmala Diva; and
 - Organise public programs, music events and participation in festivals where the general public can attend and learn meditation techniques free of charge.
- (b) It is clear the organisation intends to screen films for their cultural and educational value.
- (c) The applicant has become familiar with the film classification guidelines, and understands the criteria for the screening of films publicly.
- (d) The applicant also appears to have knowledge of the restrictions applying to the different classifications and will not screen films unsuitable for persons aged under 15 years.

The purpose of Part 7 of the Act is to allow organisations to show films subject to conditions. This enables films to be shown which may not otherwise be screened due to financial constraints, and the lack of a dedicated audience, particularly, those films depicting a certain artistic type.

The applicant satisfies the requirements demanded by the legislation, and there is nothing to suggest the applicant should not be approved as an Approved Organisation. Therefore, I consider the application approved and hereby do so.
