QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

“**Easement**” means the easement proposed to be taken by the Coordinator-General pursuant to the Notice of Intention to Resume including but not limited to the terms and conditions contained in this Schedule.

“**Easement Area**” means that portion of the Burdened Land over which the Easement is to be obtained (and which is substantially identified in Schedule 3 of the Notice of Intention to Resume).

1.2 If the Landowner or the party having the benefit of the Easement consists of two or more persons at any time:

- (b) those persons are bound and benefited by the Easement both individually and in each combination of them jointly.

1.3 A reference in the Easement to a person includes a reference to a body corporate (including a local government) and every other kind of legal person.

1.4 The Easement is intended to burden the land described in Schedule 1 and in accordance with the *State Development and Public Works Organisation Act 1971* and the process set out in section 6(2) of the *Acquisition of Land Act 1967*. The Coordinator-General is a public utility provider under the *Land Title Act 1994* and the *Land Act 1994*. The Easement may be registered as a public utility easement.

2 RIGHTS AND OBLIGATIONS OF COORDINATOR-GENERAL

- (a) install, repair, maintain, remove, replace, clean, clear, add to and alter any Infrastructure on, in or through the Easement Area from time to time;

- (f) pull down or break open any fencing on the Easement Area in order to enter or exit it (but only after, except in the case of an emergency, giving reasonable prior notice to the Landowner if any livestock are contained within the fenced area);
- (g) take anything onto the Easement Area and use and operate what has been taken onto the Easement Area; and
- (h) do on the Easement Area anything which in the Coordinator-General’s opinion is necessary or convenient for, or incidental to, exercising the Coordinator-General’s rights under the Easement, including, as examples but without limitation:
 - (1) stockpiling Infrastructure or items required for or relating to the installation, repair, maintenance, removal, replacement, cleaning, clearing, addition or alteration of Infrastructure;

- (2) stockpiling soil dug up on or from under the Easement Area; and

2.2 The Coordinator-General shall have the right to authorise, permit or license other parties to use the Easement Area for all or any of the purposes as the Coordinator-General may do so under the Easement, and otherwise to exercise the same rights and powers as the Coordinator-General under the Easement subject to all the conditions and restrictions upon such rights as are set out in the Easement.

2.3 In exercising rights and powers under the Easement, the Coordinator-General and/or persons authorised, permitted or licensed from time to time by the Coordinator-General to use the Easement Area for the purposes of the Easement must:

2.4 If the Landowner breaches the Easement, the Coordinator-General may do anything that is reasonably necessary to correct the breach (such as removing a structure erected on the Easement Area in breach of the Easement). Any action in rectifying such breach shall be taken without the Coordinator-General incurring any liability to the Landowner.

3 RIGHTS AND OBLIGATIONS OF LANDOWNER

- (h) not cause a nuisance that adversely affects the Coordinator-General's rights and powers under the Easement or any Infrastructure on the Easement Area from time to time, but if any nuisance is caused, then promptly abate such nuisance;

- (i) use the Landowner's best endeavours to prevent anyone else doing any of the things that the Landowner is required not to do under the Easement and not allow or authorise anyone else to do any of those things;
- (j) not interfere with or obstruct the Coordinator-General in the exercise or enjoyment of its rights and powers under the Easement; and
- (k) not grant any rights to any person in relation to the Easement Area to the extent the granting of those other rights could or will conflict or interfere with the Infrastructure or the exercise of any of the Coordinator-General's rights and powers under the Easement.

4 OTHER MATTERS

4.1 Ownership of Infrastructure

All Infrastructure and other things brought onto or installed on, in or through the Easement Area from time to time by the Coordinator-General will, as between the Landowner and the Coordinator-General, notwithstanding any affixation to the Easement Area, remain the property of the Coordinator-General (unless otherwise assigned).

4.2 Fences

If the Coordinator-General pulls down or breaks open any fencing under the Easement:

4.6 Further assurances

The Landowner will execute every deed, instrument, assurance or other document and do all such things as may be necessary to secure the rights of the Coordinator-General conferred by the Easement as the Coordinator-General may reasonably require, including (without limitation) obtaining the consent of any person necessary and producing the title document for the Easement Area and executing all documents necessary to give effect to any proposed assignment, transfer, encumbrance or other dealing by the Coordinator-General in respect of the Easement Area.
