Example: Closure to permit the removal of overhanging branches or other items posing potential danger to persons or property.

(2) However, the closure or limitation:

- (b) must not cause to persons otherwise entitled to use the Servient Tenement more than the minimum inconvenience reasonable; and
- (c) must not present a safety hazard for persons using the Servient Tenement or (in the case of a Council created obstruction) the Balance Land.

(3) Other than in an emergency, 4 a Party may not exercise an entitlement under this Clause 3.2 without giving reasonable notice to the other Party.

- (3) If the Act does not permit the Parties to exclude or vary the statutory provision, that provision prevails over the easement provision to the extent of the inconsistency.
- (4) If the Act does permit the Parties to exclude or vary the statutory provision, the easement provision prevails over the statutory provision to the extent of the inconsistency.
- (5) Council's liability to contribute, pursuant to Land Title Act section 85B(2), to the cost of keeping the Servient Tenement (or any area of the Balance Land) in a condition appropriate for enjoyment of the easement is excluded.

3.5 General Limitation upon Activities

Other than to the extent that this Easement permits it to do so, neither Party may place or permit upon the Servient Tenement anything that:

- (1) causes or may cause unreasonable inconvenience to persons lawfully using the Servient Tenement or adjacent areas;
- (2) creates or may create a danger to person or property, within or beyond the Servient Tenement.

 - (i) any other action that creates a danger to Council property or the property of Council Associates, lawfully upon the Servient Tenement.
- (3) Council may withhold consent under Clause 3.6(1) where it considers, acting reasonably, that the relevant action, more probably than not, will interfere with:

- (1) Council may enter the Servient Tenement:
 - (a) to assess its condition;
 - (b) to install Service Infrastructure;
 - (c) to inspect Service Infrastructure;
 - (d) to Maintain the tenement; and
 - (e) to Maintain the Service Infrastructure.
- (2) However, other than in an emergency, Council must give the Owner reasonable notice of its intention to enter the Servient Tenement to perform work other than Routine Maintenance.
- (3) A notice under Clause 4.1(2) must contain reasonable details of:
 - (a) the proposed date of entry;
 - (b) the work Council proposes to perform;
 - (c) the anticipated duration of the work; and
 - (d) the assistance (if any) Council requires from the Owner to facilitate effective and expeditious completion of the work.

Council owns all Service Infrastructure irrespective of the

manner and extent by and to which the infrastructure becomes affixed to the land.

4.3 Maintenance of Infrastructure

The Owner is not obliged to Maintain the Service Infrastructure.

4.4 Interference with Infrastructure

Other than in an emergency, the Owner must not interfere with the Service Infrastructure, or do anything likely to jeopardize its safety or reliability.

- (3) compromises the safety, the security, the integrity, or the utility of the Service Infrastructure.

4.6 Council Discretion

(1) Other than to the extent that this Easement states otherwise, Council may determine, in its discretion, how it exercises its entitlements under the Easement.

(2) However, Council must not:

- (a) damage an Installation more than is necessary; or
- (b) destroy an Installation unless to do so is necessary, to ensure the proper exercise its entitlements under the Easement.

(1) Clause 4.6(2) does not apply to an Installation that Council owns.

4.7 Limitation upon Council Liability

(1) Other than to the extent that this Easement states otherwise, Council is not obliged to repair or replace an Installation damaged or destroyed through the lawful exercise of its entitlements under the Easement.

(2) Council is obliged only to leave the Servient Tenement in as clean and tidy a state as is practical having regard to:

- (a) the work it has done; and
- (b) the nature of the damage or destruction.

(2) However, where it damages or destroys a concrete or otherwise sealed ground surface, Council must reinstate the surface to the condition in which it existed immediately before the damage or destruction if:

- (a) the surface existed before the taking of this Easement or
- (b) the surface was constructed or installed pursuant to a Owner entitlement in this Easement; or
- (c) the surface was constructed or installed pursuant to a Council consent, given under the Easement and not given conditionally upon the Owner reinstating the surface.

Council may demolish or break a Fence to gain access to the Servient Tenement.

- (10) If Council disposes of the item/components, or the demolition material, the Removal Cost will be reduced by the equivalent of the amount of the disposal proceeds.

- (2) The mere fact that a Party grants an indulgence under or concerning the Easement on a given occasion does not entitle the recipient to the same or a similar indulgence on another occasion.
