

NOTICE TO MARINERS

548 (T) of 2024

Issued by Brisbane Maritime Region on 7 November 2024

Area: Brisbane pilotage area
Locality: Moreton Bay/Brisbane River
Activity: Marine Sediment Study Channel Enhancement Project

Mariners are advised that:

The Port of Brisbane Marine Sediment study and channel enhancement project Survey Program within navigable channels of Moreton Bay and the Brisbane River will be conducted from 11 November 2024 through to 31 December 2024. Marine sediment sampling will be conducted submersible using vibrocoring device deployed from the MV Prime Mover. The vessel will be anchored in each location for up to one hour to complete sampling. The MV Prime Mover will be listening on VHF Channel 12 and 16.

Mariners are requested to keep clear of MV Prime Mover and navigate the area of operation with caution.
