### Notice of adoption of amendments to the Brisbane City Plan 2000 pursuant to Schedule 1 of the Integrated Planning Act 1997

At its meeting of 25 May 2004, Brisbane City Council resolved to adopt minor amendments to the Brisbane City Plan 2000. The proposals comprise amendments to the introduction to Appendix 1 of the City Plan which relates to infrastructure charges plans and amendments to the Racecourse Road Local Plan.

At its meeting of 2 June 2004, Brisbane City Council resolved to change the Area classifications (zones) of 114 parcels of land in Brisbane.

**Purpose and General Effect**

The purpose of the minor amendments to Appendix 1 is to align the City Plan provisions with recent changes made to the Integrated Planning Act as it deals with infrastructure charges plans. The general effect is to clarify the meaning of Appendix 1.

The minor amendment to the Racecourse Road Local Plan is to place the letter "(a)" on the Precinct Map to indicate the location of the Mixed Development Precinct.

The purpose of the Area reclassifications (rezonings) is to classify currently unclassified land and better reflect development approvals and voluntary conservation agreements on particular sites throughout Brisbane. The amendments relate to individual allotments or small groups of lots but do not significantly change overall zoning patterns. The general effect of the Area reclassifications will be to keep Brisbane's planning scheme relevant.

The amendments are to become effective on and from 1 July 2004.

**Further Information**

Copies of the amendments are available for inspection and/or purchase at the Brisbane City Council Administration Centre, Customer Service Counter, 1st Floor, 69 Ann Street, Brisbane.
