**LOCAL GOVERNMENT CHANGE COMMISSION  
REDLAND CITY COUNCIL  
INVITATION FOR OBJECTIONS TO THE PROPOSAL**

The Redland City Council has advised that its electoral divisions no longer meet the quota requirements set down in the *Local Government Act 2009* (Act). The Minister responsible for Local Government has in turn referred the matter to the Local Government Change Commission for an independent assessment.

The Commission now invites written objections from interested persons and bodies' relating to the council's proposed 10 electoral divisions, to be lodged **on or before 5.00pm Monday 28 September 2015**.

For this phase of the review, the enrolment for Redland City Council as at 23 February 2015 is being used. The total enrolment was 99,635. The Commission has determined that 9,964 is the reasonable proportion of electors for an electoral division. Section 17 of the Act requires the Commission to ensure that the number of enrolled electors in all divisions does not differ from this reasonable proportion by  $\pm 10\%$ . In order to meet the enrolment criteria set out in the Act, the number of electors in each division must be within the minimum of 8,967 and the maximum of 10,960. Furthermore, the Act requires that the reasonable proportion of electors must be worked out as near as practicable to the time when the change is to happen to ensure demographic representation for each division of Redland City Council. Projected enrolment for March 2016 and February 2019 has been used to assist with this requirement.
