QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

All Infrastructure and other things brought onto or installed on, in or through the Easement Area from time to time by the Coordinator-General will, as between the Landowner and the Coordinator-General, notwithstanding any affixation to the

4.2 Fences

If the Coordinator-General or a person authorised, permitted or licensed by the Coordinator-General to use the Easement Area pulls down or breaks open any fencing under the Easement:

- (a) the Coordinator-General or the person authorised, permitted or licensed by the Coordinator-General may either repair the fencing it has pulled down or broken open or install a gate in place of that fencing to at least a standard reasonably equivalent to that of the fencing before it was pulled down or broken open;
- (b) the owner of the fencing that was pulled down or broken open will become the owner of the repaired fencing or gate; and
- (c) that owner must maintain the repaired fencing or gate.

4.3 Stamping and registering of Easement

The Coordinator-General must:

- (a) stamp (if required) and register the Easement; and
- (b) make sure that the Coordinator-General or those authorised, permitted or licensed by the Coordinator-General are given all the rights and powers intended to be conferred by the Easement.

4.4 The Coordinator-General will pay all duty and registration fees on the Easement.

4.5 Mining or petroleum tenement

The Landowner must give the Coordinator-General a copy of any notification received by the Landowner in respect of any application for a mining or petroleum tenement under the *Mineral Resources Act 1989*, the *Petroleum Act 1923*, the *Petroleum and Gas (Production and Safety) Act 2004* or any similar or replacement legislation, in respect of land which includes all or any part of the Easement Area, within 7 days after the Landowner receives such notification.

4.6 Further assurances

The Landowner will execute every deed, instrument, assurance or other document and do all such things as may be necessary to secure the rights of the Coordinator-General conferred by the Easement as the Coordinator-General may reasonably require, including (without limitation) obtaining the consent of any person necessary and producing the title document for the Easement Area and executing all documents necessary to give effect to any proposed assignment, transfer, encumbrance or other dealing by the Coordinator-General in respect of the Easement Area.

6 COORDINATOR-GENERAL'S CONSENT

- (a) Subject to clause 6(b), the Coordinator-General may conditionally or unconditionally give or withhold any consent to be given under the Easement and is not obliged to give reasons for doing so.
- (b) The Coordinator-General will not unreasonably refuse or withhold its consent to the Landowner:
- (i) maintaining any existing road across the Easement Area; and

7 SEVERABILITY

- (a) Subject to clause 7(b), if a provision of the Easement is illegal or unenforceable in any relevant jurisdiction, it may be severed for the purposes of that jurisdiction without affecting the enforceability of the other provisions of the Easement.
- (b) Clause 7(a) does not apply if severing the provision materially alters the scope and nature of the Easement or the relative commercial or financial positions of the parties,

or would be contrary to public policy.

8 INDEMNITY FOR LANDOWNER

The Coordinator-General indemnifies the Landowner including any successors in title to the Burdened Land, against all actions, suits, proceedings, demands, claims, losses, damages, costs and expenses, excluding any indirect or consequential loss ("Claims") arising from:

- (a) any breach by the Coordinator-General of the terms of the Easement; and

Notice of Ministerial designation of land for community infrastructure under the *Integrated Planning Act 1997*

A Ministerial designation has been made

I, Hon Judy Spence MP, the Minister for Police, Corrective Services and Sport, give notice that under the *Integrated Planning Act 1997*, chapter 2, part 6, I made a Ministerial designation of land for community infrastructure on the 21 day of October 2008.

The designation will take effect from the day it is notified in the Government Gazette.

Description of the land to which the designation applies

The Ministerial designation applies to land located at Orford Drive, Wacol.

The land is described as Lot 407 SP130796; Lot 402 SP129387; Lot 398 SP206830, Parish of Oxley, and County of Stanley.

Type of community infrastructure for which the land has been designated

The land has been designated for the Queensland Police Academy and Operational Facility.

This community infrastructure is described under the *Integrated Planning Act 1997*, schedule 5 as:

(d) community and cultural facilities, including child-care facilities, community centres, meeting halls, galleries and libraries; (e) correctional facilities; (f) educational facilities; (g) emergency services facilities; (l) parks and recreational facilities; (r) storage and works depots and the like including administrative facilities associated with the provision or maintenance of the community infrastructure.

Preliminary planning for the development describes the uses of the land as:- "*Queensland Police Academy providing an education and training facility for the Queensland Police Service as well as an operational base for law enforcement activities. Improvements on the land will include buildings and facilities to provide student accommodation, classrooms, training rooms, information technology, libraries, driver training track and other educational and operational support facilities, administration buildings, warehouse and archival facilities, recreation and social/cultural facilities, facilities to accommodate the delivery of services ancillary to the Academy or the operational base for law enforcement activities such as for meeting halls, maintenance facilities, car parking and child care with provision to incorporate future facilities providing resources and support necessary to the continued use of the development as community infrastructure*".

The designation of the site for (e) correctional facilities is exclusive to Lot 402 on SP 129387. The proposed Ministerial designation will enable community infrastructure development of this lot to accommodate uses for the Queensland Police Academy, such as the driver training facilities, which do not conflict with the continuing use of this land as a buffer zone for the adjoining Correctional Centre.
