

Large Training Provider of the Year

2025 eligibility criteria

The Large Training Provider of the Year award recognises a large registered training organisation that demonstrates excellence in all aspects of vocational education and training.

Eligibility criteria

Nominees must:

- be a registered training organisation (RTO)
- deliver vocational education and training (VET) as its core business
- deliver VET services in Queensland
- have 500 or more students enrolled at the time of nomination, as reported by RTOs in the most recent annual National Centre for Vocational Education Research (NCVER) data collection period*
- meet the [conditions of entry](#).

* If this criterion is not met, nominees may be eligible for the Small Training Provider of the Year.

RTOs must only nominate in the state or territory where most of its training is delivered. A branch or campus of an RTO is not eligible to nominate individually. A school operating as an RTO can nominate for the small training provider award. Other schools may be eligible for the Premier's Industry Collaboration Award.

Note: To maintain the integrity of Queensland and Australian awards programs, nominees will be subject to quality assurance checks by the Department of Trade, Employment and Training, and – at the national level – the Australian Skills Quality Authority. These checks inform selection processes.
