“Want to know more about the Home Loan secret?”

The secret is out. A home loan that's as flexible as your lifestyle demands, but with the protection of a fixed rate.

That's why we offer fixed rate home loans with benefits usually only found with a variable rate, like:

- 100% mortgage offset facility;
- the ability to redraw;
- no monthly account keeping fees;
- additional lump sum payments without penalty.

Plus an attractive 3 year fixed rate.

In accordance with the powers under Sections 135BE, 135EQ, 135ET, 135EY, 135FD and 135HF, the Regulator has approved an extension on annual compliance reporting dates for all Scheme participants for the liable period of 1 January 2005 – 31 December 2005. This extension applies to the following compliance requirements:
