

NOTICE TO MARINERS

478 (T) of 2024

Issued by Gladstone Maritime Region on 18 September 2024

Area: Gladstone pilotage area

Locality: QAL Red Mud Dam

Activity: Quarry Blasting

Mariners are advised that:

QAL will be conducting explosive blasting at the onsite quarry at the QAL Red Mud Dam Facility on Friday, 27 September 2024.

Blasting will occur between 1000 hours and 1700 hours and will be dependent on suitable weather conditions.

During periods of blasting, the affected area of South Trees Inlet will be closed for 15 minutes for each blasting. Queensland Water Police will be enforcing the periods of closure.

Mariners are advised to proceed with caution in the area, remain out of the area unless given approval and follow all directions of the Queensland Water Police.
