

ADVICE

Issued by Gladstone Maritime Region on 1 November 2023

Area: Gladstone pilotage area

Locality: Port of Gladstone

Activity: Extreme Weather Event Contingency Plan 2023 - 2024

Mariners are advised that:

The Maritime Safety Queensland Extreme Weather Event Contingency Plan 2023 – 2024 is now live on the web. The overall objective of the plan is to provide for the safety of vessels and their operation during extreme weather events. The Extreme Weather Event Plan utilises emergency management concepts such as, a comprehensive all agencies approach and principles to best manage emergent events.

The plan can be located here: <https://www.msq.qld.gov.au/safety/preparing-for-severe-weather>

Gladstone region plans for Rosslyn Bay, Fitzroy River, Port Alma, Gladstone, Bundaberg, and Hervey Bay regions can all be accessed from the above link.

Mariners are encouraged to read the relevant plan in preparation for the upcoming extreme weather season.

Latitude and longitude positions are on WGS84 horizontal datum and are compatible with GDA2020 datum.
