Proposed Activities

Species Details

* You must complete this section for each of the species to be collected.

** If using nets include dimensions, mesh size, etc

Note that this authority, if issued, will allow the use of prescribed fishing apparatus for recreational fishers as detailed in Chapter 4, Part 4, Division 1 and 2 of the Fisheries Declaration 2019. If other equipment use is proposed full details must be provided.

Attach the following information about each species proposed culture stock collection:

- Common and scientific name of the species to be collected. *
- Number of individuals collected for each species and provide justification for this number of animals. *
- Map/Chart identifying the proposed collection location. Identify the boundaries of the proposed area(s) where the collection activity will take place with GPS coordinates (Latitude and Longitude in decimal degrees and record the Datum).
- Provide details of the collection method and fishing apparatus to be used. **
- What methods would you employ to minimise capture and maximize survival of non-target species?
- Timing of collection activities.
- Will a vessel be used during collection activities? – If so, is the vessel endorsed under the *Fisheries Act 1994* to allow collection of the target species?
No Yes → Please attach copy of endorsement
- For protected and listed species, demonstrated ability and expertise to collect, hold and spawn the fish, or fish with similar life histories, to ensure long term survival of broodstock for aquaculture?

You may provide a copy with your application, or alternatively the copy can be arranged on your behalf by contacting this office (fees apply).

Native title

This application may be subject to notification under the *Native Title Act 1993* in which case additional information may be required, and some delays may be experienced.

Privacy Disclaimer: The Department of Agriculture and Fisheries is collecting the information on this form to assess your application for a General Fisheries Permit for Broodstock Collection. This information is authorised by Section 54 of the *Fisheries Act 1994*. This information will only be accessed by authorised employees within the department. Some information collected on this form is made available to the public in the Register of Authorities under Section 73 of the *Fisheries Act 1994* and Section 73 of the Fisheries (General) Regulation 2019. Please be aware that the postal address you provide may be released under a search. You must also provide, for an individual, a residential address, or for a corporation, a registered office address for the purpose of giving notices under fisheries legislation. The residential/registered office address will not be made available under a search of the Register unless it is also the postal address. Your information will not be disclosed to any other parties unless authorised or required by law.
