Notes to the remuneration schedule

- Note 1 The reference rate of \$140,578 is a rate determined by the Tribunal and is related to, but not dependent on, the annual base salary payable to Members of the Queensland Legislative Assembly.
- Note 2 The monetary amounts shown are per annum figures. If an elected representative only serves for part of a calendar year they are only entitled to a pro-rata payment to reflect the portion of the year served.
- Note 3 Mayors, Deputy Mayors or Councillors over 75 years of age may qualify for additional remuneration in lieu of contributions foregone because of taxation laws which prevent Local Governments from making voluntary superannuation contributions for councillors over that age. Local Governments may make submissions to the Tribunal for approval to vary the remuneration of any councillors over 75 to reflect the level of voluntary superannuation contributions which would otherwise have been paid.
