- 5.3 The Owner hereby confers on the Council and the Council's Agents all of the powers, rights and liberties mentioned in clauses 1 and 3 for the purpose of carrying out the rights, powers and remedies conferred on the Council by clause 5.1.

- 6.1 The Owner hereby gives express permission (which permission is hereby declared to be irrevocable) to the Council and the Council's Agents and if necessary with vehicles, machinery and equipment of any description whatsoever and whether laden or unladen to come onto and use such Immediately Adjacent Land as may be reasonably and occasionally required by the Council in the exercise of or incidental to its rights, powers and liabilities under the easement and in this regard the Owner hereby confers on the Council and the Council's Agents all of the rights, powers and liberties mentioned in clauses 1 and 5 of this easement so long as such rights, powers and liberties are not exercised or utilised on a permanent or prolonged basis.
- 6.2 If the Council or the Council's Agents exercise any rights, or purported rights, powers or liabilities pursuant to clause 6.1 the Council undertakes to indemnify and save harmless the Owner in respect of any loss or damage sustained by the Owner as a result of exercising those rights, powers and liberties and it agrees to make good and restore to a reasonable condition (having regard to its original condition) the surface of that part of the Owner's Land utilised by the Council pursuant to such rights, powers or liberties unless the exercise of such rights, powers and liberties were occasioned by the wilful or negligent act of the Owner its employees, agents, invitees or licensees or the occupier of the Owner's lands, or any part of it, adjacent to the Servient Tenement.
- 6.3 Clause 8 with any necessary changes, applies to the Immediately Adjacent Land.
7. INDEMNITY
- The Owner hereby identifies the Council and agrees at all times hereafter to keep it indemnified in respect of any claims, demands or actions which are made or brought against the Council as a result of the installation, maintenance or use of the Pipes if such loss, damage, claim or action is in any way attributable to the negligence or deliberate act of the Owner, its servants, agents, employees, invitees or licensees or the occupiers of the Owner's land.
8. OWNER TO MAINTAIN EASEMENT
- 8.1 The Owner shall at all times maintain and keep the Servient Tenement and the Owner's improvements on and in the Servient Tenement (but subject to clauses 8.2 and 8.3, excluding the Pipes) in good order and repair and in a clean and tidy condition.
- 8.2 If there are no such improvements the Owner undertakes to grass the Servient Tenement and to keep it properly grassed and mown or otherwise appropriate vegetated to the reasonable satisfaction of the Council.
- 8.3 If the Council constructs works or provides vegetation to minimise scouring or erosion within the easement then the Council will maintain such works other than vegetation. The Owner shall maintain all vegetation in accordance with clause 8.2.
9. GENERAL PROVISIONS
- 9.1 Notwithstanding any rule of law or equity all pipelines, Pipes, drips, valves, fittings, meters, connections and all other equipment and appurtenances brought onto, laid or installed upon or buried in or under the Servient Tenement by the Council at all times remain the property of the Council notwithstanding that they are or might be annexed to the Servient Tenement.
- 9.2 At any time and from time to time the Council may remove them in whole or in part.
- 9.3 The Council, performing and observing the covenants and conditions to be observed and performed by it under this easement, may peaceably hold and enjoy the rights, liberties, privileges and easement granted by this easement without hindrance, molestation or interruption by the Owner or any person, firm or corporation claiming by, through, under or in trust for the Owner.
- 9.4 The Owner shall execute every deed, instrument or assurance, and do everything, for further or more

effectually securing the rights or interest of the Council to or in the Servient Tenement or any part or parts of it under this easement as the Council reasonably requires.

- 9.5 This easement is of the same force and effect to all intents and purposes as a covenant running with the land. The benefit, and burden, of the stipulations of this easement extend to, and bind and ensure to, all persons deriving title from or under the Council, and the Owner, respectively.
- 9.6 The provisions of section 85B of the Land Titles Act 1994 in relation to contributions are specifically excluded from this document.

10. COSTS

Unless otherwise agreed by the parties, the costs and outlays of and incidental to any plan of survey required to be made in connection with, and the preparation, completion, stamping and registration of this easement (including stamp duty and registration fees payment on this easement and on any such plan), shall be borne and paid by the Council.

11. GST

11.1 In this clause 11:

- (a) words and expressions which are not defined in this document but which have a defined meaning in GST Law have the same meaning as in the GST Law; and
- (b) GST Law has the meaning given to that expression in the A New Tax System (Goods and Services Tax) Act 1999 (Cth).

11.2 Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this document are exclusive of GST.

11.3 If GST is payable by a supplier, or by the representative member for a GST group of which the supplier is a member, on any supply made under this document, the recipient will pay to the supplier an amount equal to the GST payable on the supply.

11.4 The recipient will pay the amount referred to in clause 11.3 in addition to and at the same time that the consideration for the supply is to be provided under this document.

11.5 The supplier must deliver a tax invoice or an adjustment note to the recipient before the supplier is entitled to payment of an amount under clause 11.3. The recipient can withhold payment of the amount until the supplier provides a tax invoice or an adjustment note as appropriate.

11.6 If an adjustment event arises in respect of a taxable supply made by a supplier under this document the amount payable by the recipient under clause 11.3 will be recalculated to reflect the adjustment event and a payment will be made by the recipient to the supplier or by the supplier to the recipient as the case requires.

11.7 Where a party is required under this document to pay or reimburse an expense or outgoing of another party, the amount to be paid or reimbursed by the first party will be the sum of:

- (a) the amount of the expense or outgoing less any input tax credits in respect of the expense or outgoing to which the other party, or to which the representative member for a GST group of which the other party is a member, is entitled; and
- (b) if the payment or reimbursement is subject to GST, an amount equal to that GST.
