PUBLIC CONSULTATION ON REVIEW OF ENVIRONMENTALLY
RELEVANT ACTIVITIES – DRAFT REGULATORY ASSESSMENT
STATEMENT**

The Greentape Reduction project has been established to streamline, integrate and coordinate regulatory requirements under the *Environmental Protection Act 1994*.

The Review of Environmentally Relevant Activities – Draft Regulatory Assessment Statement – has been released for public consultation and is available on the Department of Environment and Heritage Protection website www.ehp.qld.gov.au or can be obtained by phoning (07) 3330 5899.

These options include deleting environmentally relevant activity thresholds, halving sewage treatment plant annual fees and introducing new application fees.
