FREE SMALL BUSINESS SHORT COURSES

Developed in partnership with TAFE Queensland, Back to Work's short courses are available to all Queenslanders to equip business owners/operators/managers with additional skills to succeed. These extra skills and know-how will build confidence and workplace culture and help to retain employees.

These free online courses are designed to be completed at your own pace. Course participants are awarded digital badges to recognise learning outcomes.

The team are continually adding new topics, a snapshot of the current topics available is below, check out the website for the full suite of courses:

- Becoming an employer of choice
- Communicating effectively with people with disability
- Cultural diversity in the workforce
- Supporting mental health in the workforce
- Supporting young people in the workforce
- Supporting sexual and gender identities in the workforce
- Workforce management
- Effective workplace leadership.
